

# 'JONAH' TO BE SERMON TOPIC

### Congregational Church Invites to Services

"Jonah, a Tract for the Times," will be the subject of the sermon by Rev. James Austin Richards tomorrow morning at the Winnetka Congregational church. The church chorus will take part in the service, singing Sprague's "Behold, God Is My Salvation;" and the quartet number, "O Divine Redeemer," by Gounod, will have a violin obligato by Mrs. Harvey Brewer.

The church school has its sessions at 9:30 o'clock, when the First Year high school girls will lead the worship in the main school. Mr. Richards will address the Men's Sunday Morning class on "How to Use Sunday." The Women's Bible class is studying the Life of Elijah under the direction of Rev. Ralph Morphett.

At 3 o'clock in the afternoon the rite of baptism will be administered to children; and parents are asked to make use of this opportunity.

The Sunday Evening club will hear Mr. Richards on the subject of "Science and the Bible;" their supper is served at 6:30 o'clock in Camp Fire room. And the Young People's club has invited the club from Wilmette to come to supper and enjoy a meeting together. The topic for this discussion will be "The Blue Laws," and Edward Quayle of the Wilmette club will be the leader.

### PLEASURE CLUB TO DANCE

The Scandinavian Pleasure club will have its regular monthly dance this evening. Harold Anderson's orchestra will provide the music and refreshments will be served.

Miss Mildred Mock, accompanied by Mrs. Howard Bowers, 554 Orchard lane, will leave on May 28, for a visit of two or three weeks with friends in California.

## TECHNY INVITES TO GREAT MISSION PLAY

Hundreds of north shore motorists have noted the attractive banners and streamers on the premises of the mission schools at Techny on the Waukegan road west of the north shore. They have noted and wondered just what it was all about—that heralding of the Techny Mission play, scheduled for June 14-17-21-24.

Here is the advance information regarding the event:

The Techny Mission play—not identical with the celebrated Mission Play of San Gabriel, Cal., is not a pageant, nor a series of tableaux vivants, nor a lecture, nor a sermon, according to its author, A. A. Rothengass, but is an impressive four-act drama, replete with thrills and tears and laughter-provoking humor.

The story depicts the conversion to Christianity of Andalouma, a royal prince of the Wayao, one of the numerous and powerful tribes which inhabit the hinterland of Africa. It shows the trials and tribulations of the Prince and gives a graphic insight into

the experiences of American missionaries, both Protestant and Catholic, in the faraway dark continent.

The Techny Mission play will be staged in a great open-air arena with a seating capacity of about 1,600. The play is to be an annual event, it is said.

### SCHLIESKE QUILTS BUSINESS

After nine years in the furniture upholstering and drapery business at 563 Lincoln avenue, Charles F. Schlieske announces that he will discontinue the enterprise about June 1, because of the expiration of his lease.

Says Suds to Duds "you look quite swell" - Says Duds "you do my work quite well"

DUDS gives Suds a lot of credit for his immaculate appearance. Duds insists that well-laundered linens have as much to do with smart dressing as patronizing a fashionable tailor. Appearances count a lot these days. Phone for Suds and he will appear on the scene at once.

# A Simple Selling Method

## Saves Women \$10 to \$30

on the

# STANDARD BEE-VAC

## ELECTRIC CLEANER

—permits the amazing low price of only

# \$39<sup>75</sup>

## WHY PAY MORE?

### Two-Year Guarantee

The Bee-Vac is unconditionally guaranteed for two full years. This is double the ordinary guarantee period, and covers every part—not just certain parts, as does the usual guarantee.

### Some Bee-Vac Facts

- Made by one of the oldest, largest and most reliable manufacturers.
- Over 400,000 Bee-Vacs in use prove correct design and dependability.
- Unusually powerful suction and swing-back, double brush for quick, safe, thorough cleaning.
- Better tools, more easily used.
- Motor a marvel of sturdy efficiency.

This store, like thousands of others, has long been fighting for a more economical method of selling electric cleaners.

We know that the big commissions paid home demonstrators add from \$10 to \$30 to cleaner prices, without adding a single thing to quality or performance.

We know, too, that hundreds of women would prefer to come to our store and buy a cleaner, as they buy other things, thus saving these needless commissions.

That is the way the Standard, 2-year guaranteed Bee-Vac is sold. And that is the reason for its amazing \$39.75 price. You can pay more for a cleaner—up to \$70, if you choose. But you can't buy a finer cleaner than the Bee-Vac at any price.

## LEE SAYS:

LET'S see, it was Josh BILLINGS, wasn't it, who SAID "There's a lot of THINGS said about the WEATHER but nothing is EVER done about it," and WE wonder what we folks WOULD do if the weather AS A topic of conversation, WAS taken away from us, AND we have an idea THAT a lot of us would FIND ourselves in bad SHAPE for want of SOMETHING to say,—but JUST the same, the WEATHER plays a big PART in our daily LIVES—for instance TAKE a hot day LIKE this and it just NATURALLY suggests THAT you might need some GOOD Hyrox Ice Cream FOR Dinner and then THAT thought suggests THE fact that we CAN supply that need AT our store.
