

HOW TO OBSERVE SUNDAY—TOPIC

Moot Question to be Subject of Sermon

"What is the right way to keep Sunday?"
 "Where do young people belong in the life of the church?"

These and similar questions are frequently heard in conversation, and they have suggested some of the topics that are listed for the Sunday services tomorrow at the Winnetka Congregational church.

Rev. James Austin Richards will preach on "The Simple Life" at the morning service at 11 o'clock. He will discuss "A Christian Sunday" at the Men's class at 9:30 o'clock, and at the Sunday Evening club his suggestions on "The Religious Opportunity of Youth" will be the basis for the evening's discussion.

Dr. J. W. F. Davies' subject at the opening of the Church school will be "A Clean Name", and his sermon to the Junior church at 11 o'clock, "Pinches".

The Church chorus and quartet have two great songs for their part of the morning church service. From Haydn's Creation, the familiar, "The Heavens Are Telling," will be given by chorus, trio and violin, and "The Cherubim Song," which is part of the liturgy of the Russian church, will be sung a capella by the chorus.

The Young People's club has but two more meetings this season before disbanding for the summer. This week the leader is Eunice Stoddard, and the subject of the meeting is "Looking Backward." Young people who are to be in high school next year are especially invited to come to these last two meetings, when plans for next winter, and new officers and committees will be chosen.

Chamber of Commerce May Have Permanent Secretary

The Winnetka Chamber of Commerce held its regular meeting Wednesday evening, May 20, at the Community House. This was the first meeting since the election of officers and was the beginning of a new year for the organization.

There were various committee reports and the matter of retaining a secretary and establishing a credit bureau was turned over to the executive committee, which was authorized to act as it saw fit.

The matter of continuing the band was also turned over to this committee.

There will be a meeting of the executive committee at the Community House Wednesday evening, May 27, at which time these matters will be definitely decided, it is thought. According to R. H. Schell, president of the organization, both are merely a matter of finances.

Summer Ash Collection Schedule Put in Effect

This week will mark the beginning of the summer schedule of ash collection, it was announced by Village Manager H. L. Woolhiser. Collection of ashes will be made once a week, he said, ashes must be separated from garbage as they will be collected in separate trucks, owned and operated by the village.

With the advent of warm weather it is thought that one collection a week, if made on a definite day, will be sufficient. It is expected that by using village equipment the collection will be more reliable.

Rubbish collection will be made every two weeks, it was announced. Any householder wishing to secure information as to collection days in his district may obtain it by calling the Village hall, Winnetka 2196. Garbage will be collected three times a week as during the winter.

Congregation Holds Festival of Shabuoth

The North Shore Congregation held special services at the Glencoe Masonic temple Friday of this week in celebration of the Jewish festival of Shabuoth.

This festival is one of the most important in the Jewish faith and comes seven weeks after the Passover.

Like most of the Jewish feast days, Shabuoth has a double significance; it refers to the world of nature and also to the history of the Jewish people. It was a feast of gratitude for the harvest and of rejoicing over the giving of the Ten Commandments to Moses on Mt. Sinai.

"Soul and Body" Is Christian Science Topic

The subject of the lesson-sermon at the First Church of Christ, Scientist, on Sunday morning, May 24, will be "Soul and Body."

Services are held in the Masonic temple at 708 Elm street at 11 o'clock. Sunday school convenes at 9:35 o'clock and a testimonial meeting is held on Wednesday evening at 8 o'clock.

The reading room at 526 Linden street is open daily except Sunday from noon until 5 o'clock and on Wednesday evening from 9 to 9:30 o'clock.

GLENCOE PEOPLE BUY RESIDENTIAL BLOCK

H. Earl Hoover, Dorothy M. Hoover and Francis S. Graham of Glencoe have purchased approximately one block of residential frontage adjoining the Skokie Country Club in Glencoe from Clarence E. Chapman of New York City through Gilbert D. Johnson and Brother for a consideration of \$50,000.

Part of this property lies in the middle of the block on South avenue, between Valley road and the golf grounds, and the balance is located on Washington avenue between the country home of W. H. Titus and the golf grounds.

The purchasers have no immediate plans for the development of this property.

Promise Many Thrills in Techny Mission Play

The first annual Mission Play, given by the Techny Mission at Techny, Ill., will be presented June 14, 17, 21 and 24. The performances will start at 7:30 o'clock in the evening.

"It is an impressive four act drama, replete with thrills and tears and laughter-provoking humor," it is explained.

"In a beautiful story it depicts the conversion to Christianity of Andalousma, a royal prince of the Wayao, one of the numerous and once powerful tribes which populate the hinterland of Africa, the so-called Dark Continent. It shows the trials and tribulations of the Prince, not in a preachy, sermonizing way, but in a series of episodes and situations intensely dramatic and pleasantly comic. "Of particular interest will be the craftsmanlike manner in which the author introduces to the audience how our missionaries, meaning American missionaries, both Protestant and Catholic, live, laugh, and labor in Africa."

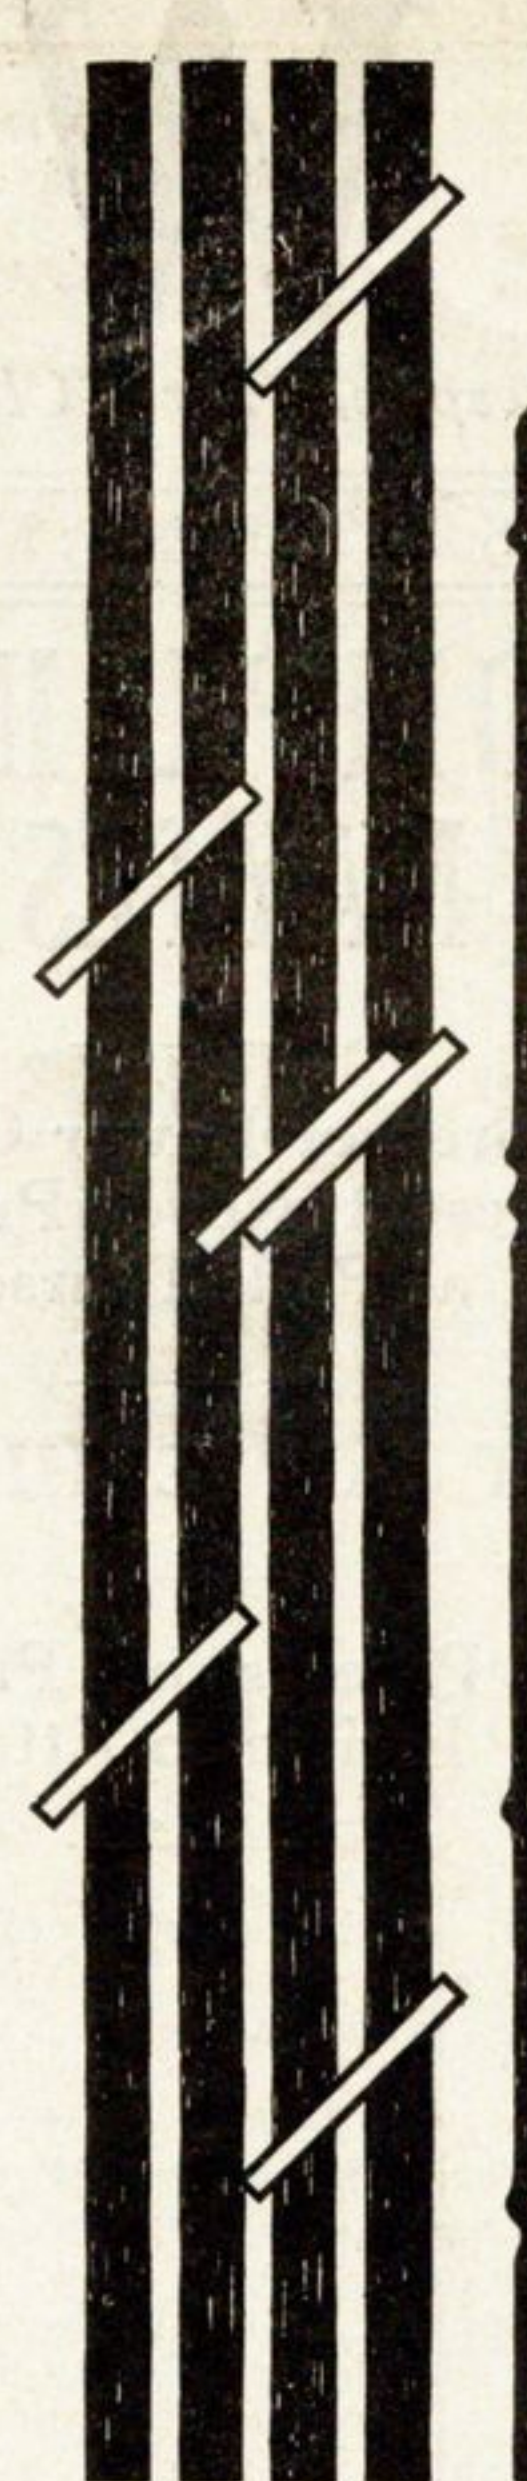

The play will be staged in an open-air amphitheatre which has been erected on the grounds of the mission. More than 1600 seats will be available for every performance.

When EYES Grow Weary

After reading, sewing, business or exposure to the elements, your EYES often become tired, dull and heavy. Then is when you need **MURINE**. This soothing, refreshing lotion soon makes EYES bright and clear again. Harmless!

MURINE FOR YOUR EYES

Write Murine Company, Dept. 80, Chicago, for FREE Eye Care Book

WINNETKA TRUST and SAVINGS BANK
 ELM STREET AT CENTER

A Checking Account

is just that; it keeps a check on your funds and shows you just exactly where every penny has gone. This is a valuable feature of such an account, for you have a complete record of your income and expenditures; we keep books for you.

Deposit all of your income in a checking account and then pay everything by check. We could cite many advantages, but the best way to learn is to try it. Start one with your next pay!

THIEF OF BAGDAD

Have you ever seen a Magic Rug soar above the city bearing a Thief and a Princess? Have you ever seen a White Horse with wings fly through the clouds? Have you ever seen the Magic Rope, live dragons and bats as big as elephants? Have you ever seen an "Invisible" cloak?

Why the STANDARD BEE-VAC ELECTRIC CLEANER sells for only **\$39.75**

Why Pay More?

"Everything for Quality — not one penny for needless selling expense."

That explains the Bee-Vac \$39.75 price. No big commissions paid to home demonstrators are added to Bee-Vac prices. When you buy the Bee-Vac you save these selling commissions, which amount to \$10 to \$30 per cleaner.

Test the standard Bee-Vac in your own home. It is guaranteed to equal the best. Guaranteed two full years. Made by one of the oldest and largest manufacturers. Over 400,000 now in use. Come in and see it.
