Christ Church Invites Winnetka Children to Daily Vacation Bible School

BEGIN WORK JUNE 29

Expert Relates Growth of Movement

Christ church is renewing its invitation to the children of the village to avail themselves of the Daily Vacation church school classes scheduled to begin June 29 in the Parish House of the church.

School sessions will be held from 9 to 12 o'clock five mornings a week. There are to be three departments of study, kindergarten, primary and junior, caring for children from 4 to 12 years of age. A program of varied interest has been formulated including periods of worship, Bible instruction, music, outdoor recreation and handicraft.

### Tuition Moderate

The tuition fee is \$1 weekly or \$5 for the term, it is announced. The charge is made to cover the cost of materials. Information regarding the school may be secured from Miss Holgate at the Parish House or by phoning Winnetka 884.

Concerning the vacation Bible school plan a local worker has written as follows:

"The idea of the Daily Vacation Church or Bible school is not a new one. Therefore, it may be of interest to parents, especially to those proposing to send their children to the vacation school at Christ church this summer, to learn of the origin and growth of this movement.

"In 1901 the Rev. Robert G. Boville, of New York City, whose attention was drawn to the need of bringing together idle children, idle churches, and idle students for community welfare on the East Side organized a Daily Vacation Bible school. The children met every day for a part of their vacation period, the Bible was taught and hymns learned, games played out of doors, and articles made by hand.

"The schools grew in number until in 1907 the National Vacation Bible School committee was formed, and four years later it was incorporated under the laws of the State of New York as the 'daily Vacation Bible School association.' In 1916, it was reorganized as the 'International Association of Daily Vacation Bible Schools.'

### Made Notable Strides

"The following are some of the actual achievements of the world association:

Fifteen provinces in China have strong D. V. B. S. organizations. 3,000 schools to be opened in 1925.

D. V. B. S. has been organized in Korea during the past two years and 100 schools conducted in 1924 with 800 students and 12,000 children enrolled.

Work in Japan founded and organized.

Work in Mexico on a national scale developed.

Work in France founded and suitable literature provided.

Work in Bulgaria at Phillipopolis started and a Slavic teacher's manual prepared.

"There are over 500,000 children attending Vacation Bible schools in this country and the schools have proved successful in all sorts of communities and among all kinds of children. Their universality is great proof of their success in the future.

"In near-by Evanston there will be at least six Daily Vacation Church Schools in session this summer.

"So the children of the community who attend the Vacation School at Christ Church this July can feel that children all over the world are interesting themselves in activities similar to their own."

Playfield Golfers May Now Secure Their Tags

Tags have been secured by Sanborn Hale, treasurer of the Winnetka Park board for distribution among members of the Playfield Golf association which utilizes the Playfield course in the Skokie, supervised by the Park board.

Mr. Hale is anticipating a lively business in the disposal of the tags within the next few days since the course is in tip-top shape and prospective Playfield "bugs" are going out in numbers to try their skill at the ancient and honorable pastime.

It is essential that Playfield players have tags, which, at a nominal fee, afford the privileges of the course and all its facilities. The tags may be obtained at Mr. Hale's offices in the Winnetka State Bank.

Chicago Bar Association Elects William C. Boyden

While he was in the East attending the Harvard commencement William C. Boyden, 725 Pine street, was elected first vice president of the Chicago Bar association at the annual election of officers of that famous organization this week. Russel Whitman of Evanston was elected president. Mr. Boyden ran far ahead of his ticket, in spite of the fact that he was not there and had been away for several days before the election.

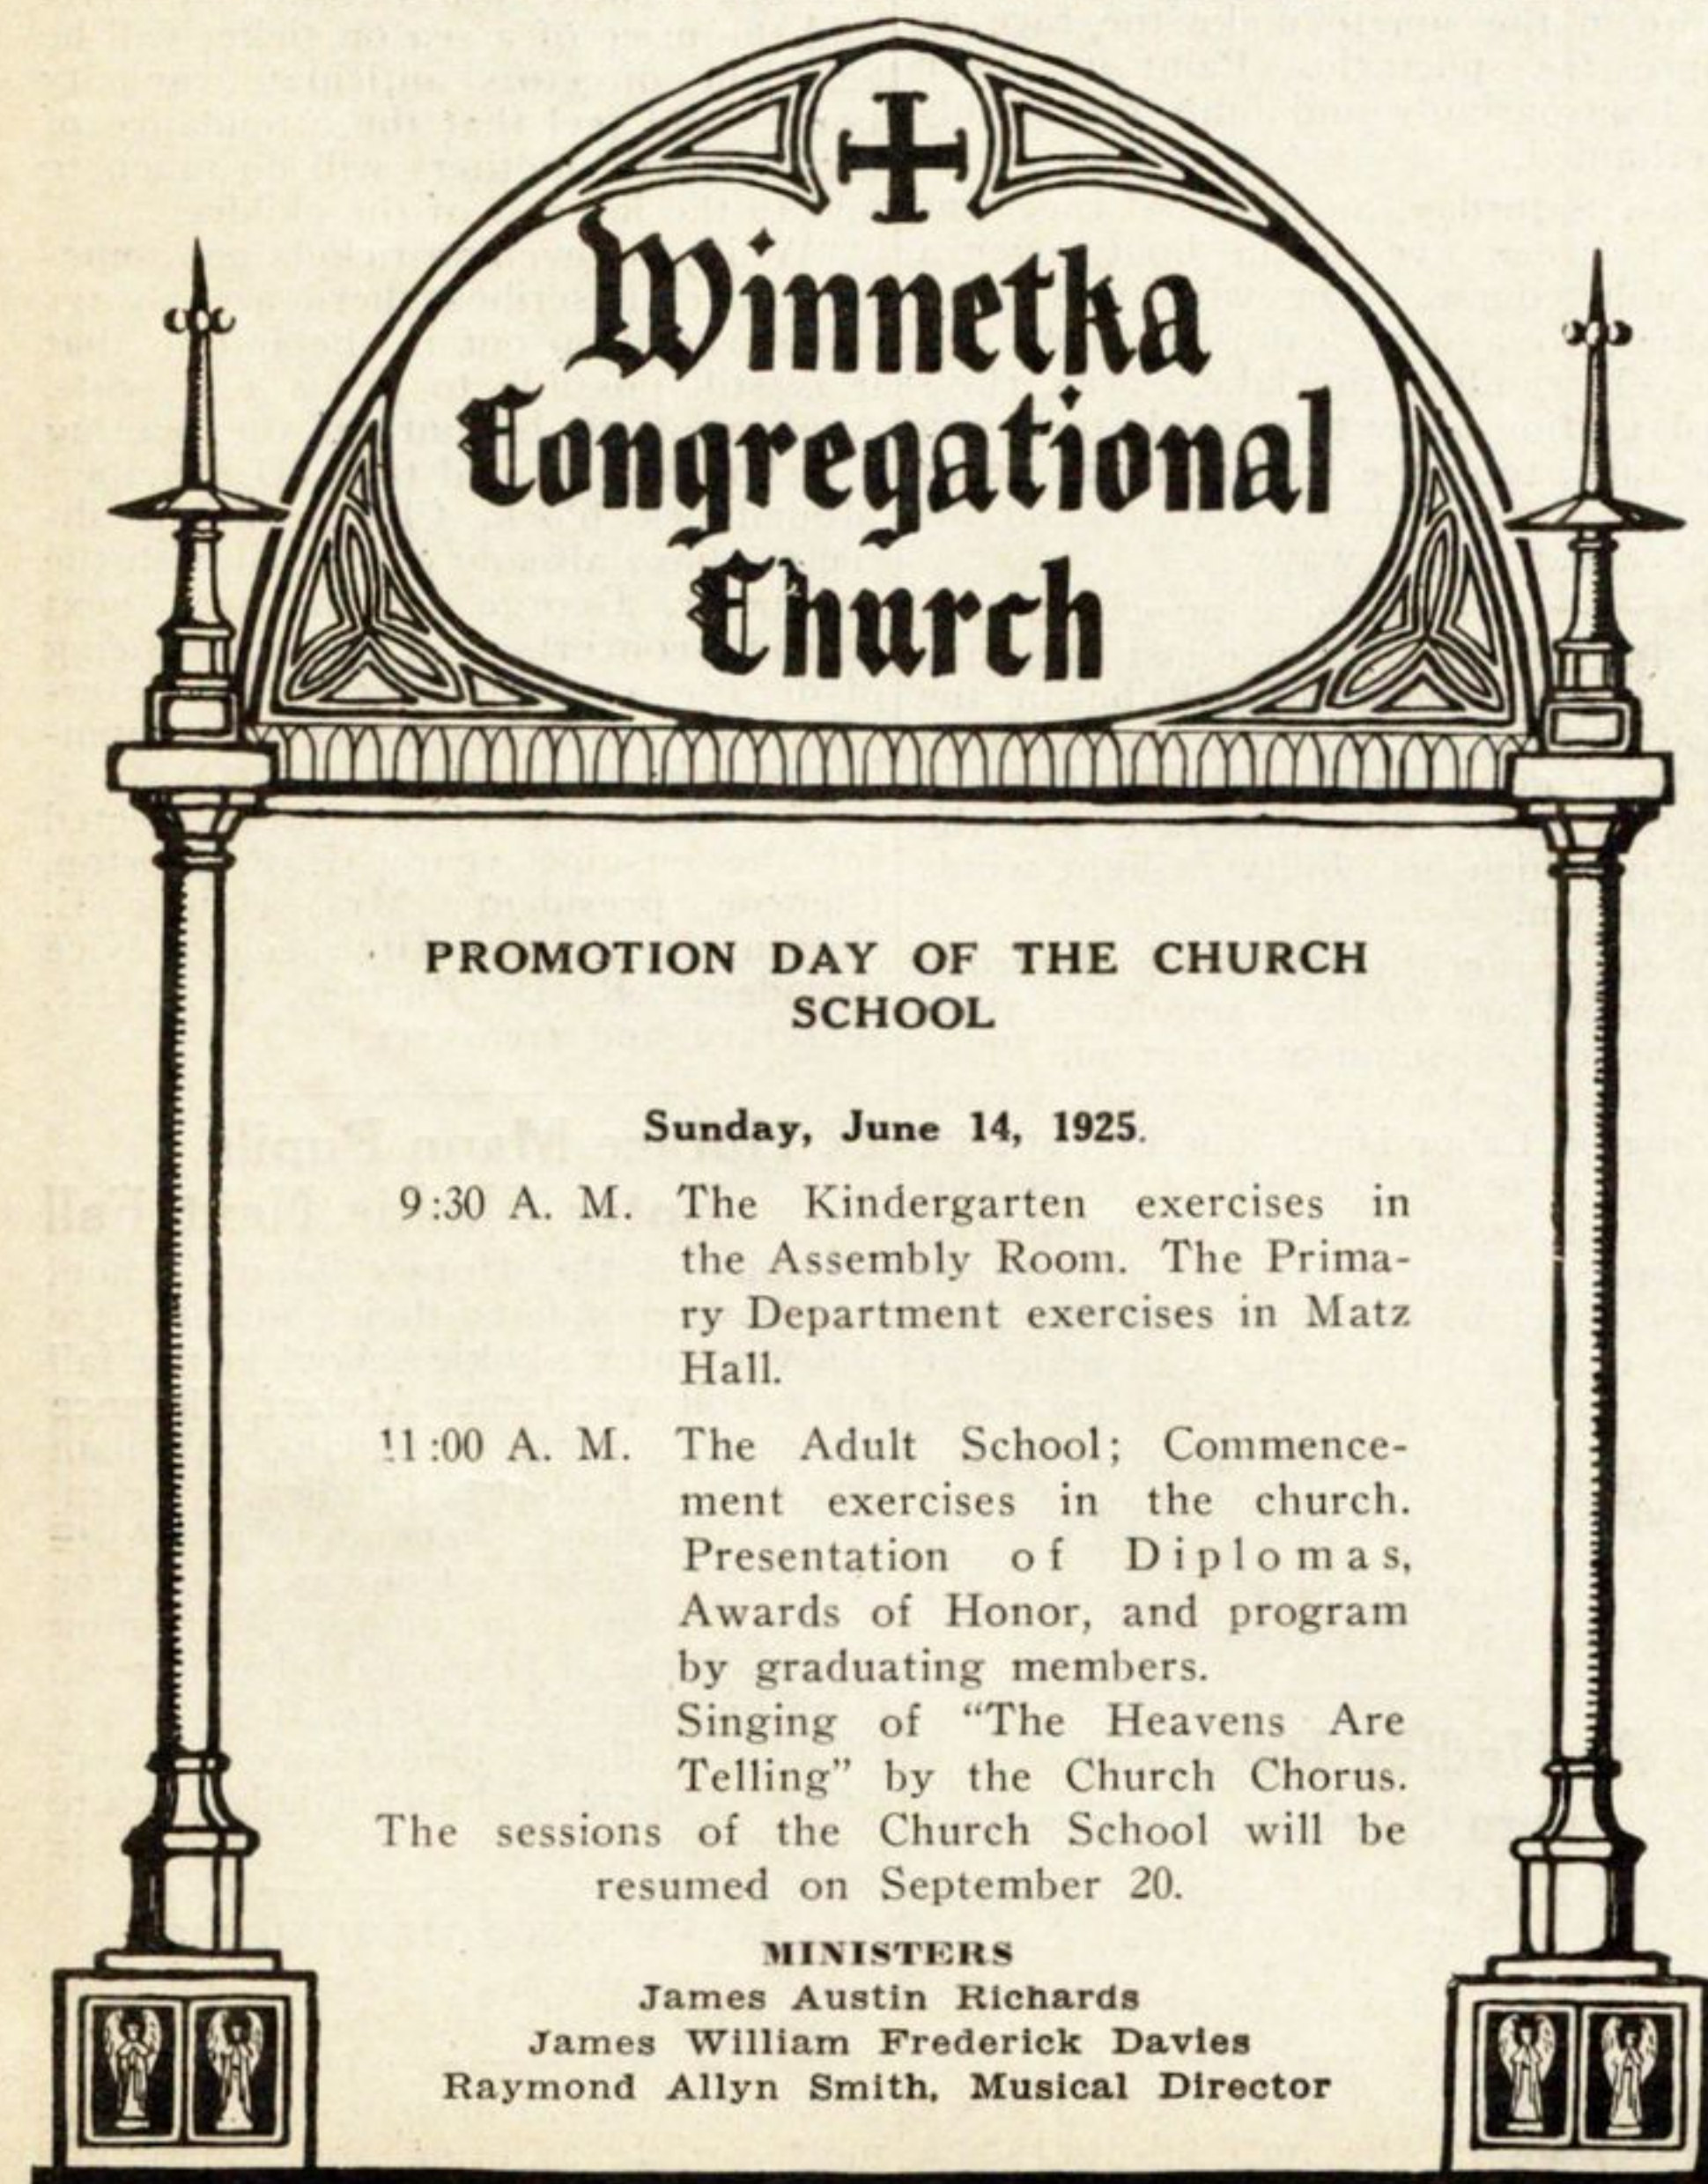

Contrary to custom, there was a "bolshhevik" ticket in the field this year, but it was beaten by the "conservative" party. Mr. Boyden was second vice president of the organization last year.
