

# RAVINIA OPERA SEATS ON SALE

**Box Office Open for Distribution of Tickets for First Week of Operas**

**FIND HEAVY DEMAND**

**The Season's Program Opens Saturday, June 27**

Seats for the first week of the new season of Ravinia opera and concerts which opens Saturday night, June 27, were placed on sale for the general public at Ravinia, Saturday morning, of this week. Inquiries already received give indication, Mr. Eckstein says, that the demand for the first week's performances will be heavier than ever it has been before in the 14 years history of Ravinia opera.

The Ravinia box office will be open every day, including Sunday, from 9:30 a. m. until 10 p. m. Seats may be reserved by telephone provided they are paid for by 6 o'clock on the evening of the performance. Mail reservations will also be handled at Ravinia on the same basis. Residents of the north shore towns from Evanston to Waukegan should call Highland Park 581. Checks should be made payable to A. M. Lowrie, manager, and sent to him at Ravinia, Ill.

**Explain Deposit Plan**

For the benefit of those who desire to order tickets in advance and to have them held later than 6 o'clock, an arrangement has been made whereby persons desiring this accommodation can make a deposit of \$20 at the box office for which a receipt will be given. Seats reserved under this plan will be held until called for by the depositor, but must be paid for at such time, thus leaving the total amount of the deposit intact. When seats so ordered are not called for, they will be charged to the depositor. The deposits will be returned at the end of the season. There can be no cancellations on this plan unless made the day before the evening of the performance.

The reserved seats for this, as for all the concerts at Ravinia, will be free, the only charge being the general admission at the gate.

**Old Fire Cart Finds Home at Arden Shore**

Chief Zibble and his stalwart firemen will soon bid sad adieu to Wilmette's pioneer fire-fighting equipment when the old fire cart purchased by the village 32 years ago, is dispatched to the Arden Shore Rest Camp at Lake Bluff.

The Village board Tuesday evening referred to its Fire committee, John F. Wiedlin, chairman, the matter of turning over the ancient equipment to the rest camp, in accordance with an announcement by friends that the rest camp was in need of the apparatus. The committee was given power to act and, accordingly, Chairman Wiedlin and his committee decided in favor of such disposition. Several lengths of hose may also be sent to the camp.
