The Convenience of Cadillac Evanston Service

OWNERS in Evanston and the North Shore communities will tell you that Cadillac Evanston service is very convenient.

Proceeding to the Loop in the morning, they leave their Cadillac at this Branch—Ridge Avenue at Lyons Street—and catch a Northwestern train at the station only three blocks away, or an "L" at the Davis Street stop just four blocks distant.

Women, particularly, appreciate this convenience of location because it makes unnecessary a long drive through traffic to one of the four Chicago Cadillac service stations.
