

WORLD FLYER TO BE AT 4TH FETE

Plan Gigantic Celebration at Great Lakes

Maj. Fred Martin, one of the trio of the famed world flyers, is scheduled to fly July 4, at the Great Lakes Naval Training station, Great Lakes, Illinois.

The occasion will be the second annual patriotic picnic and celebration sponsored by the Citizens Good Roads association, of which former mayor William Hale Thompson is the founder.

Citizens who will celebrate the national holiday at Great Lakes will not only have an opportunity of witnessing Major Martin in flight action, but will also have a chance to see one of the greatest military, naval and commercial aggregations of flying planes ever in the west, it is said. The aeronautic exhibition will be in charge of Major Martin and the War department will be represented by at least 30 land and sea planes. Crack aviators will perform their stunts from 11 o'clock to 5 o'clock, giving demonstrations in fancy flying, smoke screens, formation flying, loop-the-loops, with an aerial sham battle as the climax.

See Radio-Propelled Plane

It will be the first time that civilian visitors will witness an airplane directed by radio.

The tentative program for the picnic will start the day's sports with a baseball game at 12:30 o'clock, between the jacksies of the Great Lakes Naval Training station and the dough-boys at Fort Sheridan.

There will be running races and open air athletic contests between the members of the women's division of the Amateur Athletic Federation of Cook County and the Central Association of the Amateur Athletic Union of the United States. Five bands will play for the holiday crowd. The organizations include the Loyal Order of Moose, Ralph William's Skylarks from the Rainbo Gardens; the Blossom Heath orchestra, from the Garden of Allah and two bands under the directorship of Franklin C. E. Lunquist, from the WHT broadcasting station.

The national salute will be fired at noon, which will be followed by the assembly for drill on the parade grounds.

Entertainment will be provided in the afternoon by the entire company of "Rainbo Splendor" from Fred Mann's Rainbo Gardens, five principals from the Rendez-Vous with Earl Rickard, Jack Edwards, Ann Toddings, Auriole Craven and Alice Ridnor. The evening show will start at 7 o'clock with vocal and musical talent including the WHT radio stars, Dorothy Wilkens and Thora Martens, Dixie Fields and John Reddington, Harmonica King.

Plan Pyrotechnic Display

There will be daylight fireworks at 5 o'clock and night fireworks.

Dancing will start at 11 o'clock in the drill hall and gymnasium and will be continuous until 10 o'clock at night. Provisions for the feeding of crowds by caterers have been made with accommodations for those who bring their own picnic baskets. As a special added attraction, there will be 40 students from the St. Ignatius College Glee club, under the personal direction of John Gallivan. These boys will render selections at different times during the day.

In conjunction with the Citizens Good Roads association's picnic, Greater Chicago lodge, Loyal Order of Moose No. 3 will celebrate the Fourth at Great Lakes. Maj. Gen. Henry C. Hale, commanding the 6th Corps Area and his staff is expected to be present to witness the military and naval demonstrations planned for National Defense Test day, for the observation of which Governor Small has issued a Proclamation.

The attendance is expected to exceed that of last year when 75,000 persons and 17,000 automobiles filed into the grounds of the Great Lakes Naval Training station.
