

LOCAL GARDEN CLUBS WIN PRIZES AT LAKE FOREST SHOW

The Glencoe Garden Club Takes Three Prizes at Exhibit

THE Lake Forest Garden Club show illustrating the decorative use of flowers, held in the service buildings of Mrs. Rockefeller McCormick's estate last Saturday and Sunday, was a huge success. The weather man smiled benignly, if somewhat frostily, upon the festive throng in gay attire assembled in the buildings and scattered over the extensive grounds.

The Glencoe Garden club carried off a goodly share of honors, the most outstanding of which was the first prize for the miniature garden model. Mrs. Carl Miner, a recognized authority on rock gardens, was the chairman of the committee composed of herself, Mrs. William Levering, and Mrs. John A. Armstrong. Her fertile mind and nimble fingers combined, achieved wonders in the planning of the grounds, while Mrs. Levering was responsible for the very lovely color scheme and painting of the house. Other members of the club assisted in various ways.

In section I of class III, Mrs. Charles Workman won first prize for her arrangement of blue corn flowers and California poppies in a green bowl.

In the border planting, which was class IV, the Glencoe Garden club came second with Mrs. Paul Battey as chairman of a committee composed of Mesdames Winthrop Girling, George Horton, George Muth, and Percy Armstrong. The planting was said to approach most nearly to a real English border.

In the first section of class V, a breakfast table set for two, Mrs. Arthur Brintnall and Mrs. Homer Horton formed the committee. As Mrs. Brintnall has been invalued for some weeks, Mrs. Horton arranged the table, using a homespun cloth and napkins patterned after the old blue and white "log cabin" design. Mrs. Brintnall's much prized pewter, Colonial old blue china, pressed glass goblets and cup plates. An old fashioned bouquet of yellow sundrops, baby's breath, pinks, blue corn flowers, and small yellow poppies in a pewter bowl gave the finishing touch.

The Glencoe Garden club which was the youngest club exhibiting, feels justly proud of its first venture.

Winnetka Garden Club Exhibits at Flower Show

DURING the Garden Flower show held in Lake Forest Saturday and Sunday of last week, a white ribbon of honorable mention was placed on the miniature model of the house and garden exhibited by the Winnetka Garden club.

The diminutive model, designed by Mrs. John Hardin of Hubbard Woods, represented a stone house of English architecture, which, with its tiny garage, was so situated as to utilize to the most economical and artistic advantage, every inch of a lot designated as 75 feet in width and 120 feet in depth.

Produced on a quarter-inch scale, and placed on the end of the lot, the house, with its enclosed service entrance and court, its nearby garage and vegetable garden, overlooked a charming little vista of a lawn bordered at either side with flowers in semi-formal planting, with a gracefully branching oak tree in the foreground, and a border of high shrubs enclosing it at the end. The miniature house and landscaped grounds were produced in charming detail from the oak furniture and tiny parrot cage on the porch to the rambler roses and hollyhocks at the side.

Mrs. Hardin, who modeled the house, was ably assisted by Mrs. Mollis, Mrs. Maynard, Mrs. Quinlan, and Mrs. Franklin Callahan of Evanston, who is expecting to move to Winnetka.

Winnetkans Honored for Table Decoration

TWO members of the Winnetka Garden club were the recipients of prizes for the attractive arrangement of dining tables at the Lake Forest Garden Flower show last week. Mrs. John Scott was awarded a prize for the appointment of a dinner table set with a Venetian lace cloth, Spanish china, with shades of yellow and red predominating, unique wrought-iron candle sticks with flowers clustered around them, and red glass ware. Florentine cloth of Copenhagen blue with Florentine lace, the glassware was of blue of a deeper shade, and larkspur, pink roses, and white spiraea were the flowers used. The breakfast table, for which the prize was given, was set in periwinkle blue and white Chelsea china, with a periwinkle blue cloth, and adorned with Dorothy Perkins rambler roses and ageratum.

Local Garden Club Wins Two Flower Show Prizes

THE Kenilworth Garden club, noted for its enterprise and ingenuity, was rewarded by carrying off double honors in the much heralded Garden Flower show given in Lake Forest on Saturday, on the beautiful estate of Mrs. Rockefeller McCormick. In competition with 18 club entries from all over the city and suburban area, the Kenilworth organization was awarded two coveted second prizes in what is presumed to be the first Flower show to be given by Garden clubs west of Cleveland. The first of these exhibits was a charming miniature house and garden model, patterned in English manner from doorstep to garden gate by Mrs. Douglas Flood assisted by a committee of three

co-artists, Mrs. Gilbert W. Kelly, Mrs. Bentley McCloud, and Mrs. Frederick A. Weston. Mrs. Edward Phelps and Mrs. E. F. Snyder were recipients of the second prize awarded for artistic arrangement of flowers, a blue vase filled gracefully with white sprays of old-fashioned Queen Anne's lace.
