

# HOME GARDENERS HOLD OWN SHOW

Winnetka Community House to Be Scene of Elaborate Exhibit July 25-26

JUST AMATEURS ENTER

More Than 200 Awards Will Be Made

Announcements of the annual Flower Show to be held at the Winnetka Community House July 25 and 26 under the auspices of the North Shore of Illinois branch, of the National Association of Gardeners has aroused keen interest among Winnetka garden lovers.

Steps are being taken to arrange for representation of the Winnetka Garden club in the show, it is said, although no definite action had been taken this week. The activity of the many garden clubs all along the shore during the past weeks is taken as prophetic of an unusually fine show this year. The emphasis being placed on juvenile and amateur exhibits is also expected to draw considerable interest.

**Offer 200 Prizes**

More than 200 cash prizes are being offered in the premium list which is now being distributed. These are for exhibits in seven different classes, including vegetables, flower arrangements in baskets and vases, cut flowers, sweet peas, plants, fruits and amateur exhibits.

Competitions for prizes are to be strictly by non-professional growers. It is required that all exhibits shall have been grown by the exhibitor at least 90 days preceding the exhibition.

Lake Forest gardeners are reported to be unusually interested in the coming events and are planning on large exhibits. They are expecting to make the flower show the high point of the year's activities.

**Special Displays Feature**

Special provision has been made for meritorious displays of flowers which are not listed in the premium lists. These will include such exhibits as asters, cosmos, dahlia, delphinium and other perennials or annuals. Special prizes will be awarded those judged worthy. The American Bulb company of Chicago; Kennedy, Inc., of New York, and W. E. Marshall company of New York are donors of prizes.

**Congregational Pastor Regains Health in East**

Word comes from Bridgeton, Maine, where the Rev. James Austin Richards, pastor of the Winnetka Congregational church is spending the extra time given him by his church in order that he may completely recover from his illness of the early spring, that he is making steady progress. On July 2 he underwent an operation in a Portland hospital for the removal of an abscess in the throat, which is expected to hasten his return to complete health.

The W. A. Lamson family of 940 Sheridan road, left last week for Glacier park and Lake Louise, where they plan to spend about a month.

# WINNETKA BOYS LIKE LIFE AT CAMP ECHO

Two Winnetka boys, Samuel and Frederick Wallace, are active campers at Camp Pinewood conducted by the Central department Y. M. C. A. of Chicago on Echo Lake, 20 miles northeast of Muskegon, Mich.

Camp activities include all well supervised athletics, swimming, boating, and canoeing, fishing, hikes, campfire programs, and interesting clubs of all kinds.

The making and flying of miniature airplanes has been very popular in the camp, two instructors being furnished by the Central Lions club of Chicago.

Last Sunday the Rev. G. B. Landis of New York took advantage of the interest in airplanes and, following a demonstration as part of the morning religious services, spoke on the text from Isaiah, "They shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk and not be faint."

The boys claim they hear every campfire entertainment twice because every song or talk is echoed back to them with almost weird reality by the hills surrounding Echo Lake.

There is one leader in charge of each group of eight boys in addition to the general camp staff made up of more than a dozen trained leaders and students of boy management.

One of the unique features of the camp is an outdoor school conducted for a few hours each day for those boys who wish to do a limited amount of review work. A corps of teachers is in camp for the entire summer.

**INVITE TO SERVICES**

**Services for Vacation Mood**

It is quite natural to change our habits in the summer. Perhaps one change that many of us make is in going to church. No change in our basic attitude, of course, but a viewpoint influenced by the outdoor feeling.

The Winnetka Congregational Church has made a successful effort to provide services that fit the vacation mood. You are cordially invited to participate.
