

CONVENIENCES That Win Appreciation

North Shore residents will gain much by the opening of the specially designed Professional Building in Evanston this fall.

Your first visit to one of the many doctors or dentists occupying this structure will verify this prediction. You'll find utmost convenience—fast elevators, a flood of daylight in every office, perfect ventilation, circulating hot water—and every other up-to-the-minute accommodation.

Such environment cannot fail to result in greater service to each and every patient—and the community at large.

No matter when your present lease expires, doctors and dentists will find it wise to apply for locations at once to Victor C. Carlson Co., 501 Davis St., Evanston.

SOCIAL ACTIVITIES

Country Clubs Hum with Summer Festivity

INDIAN HILL and Sunset Ridge clubs still continue as the high lights of the social life of the village, both for members, who gather together informally and for members who take the means of the clubs' offer as delightful ways to entertain guests.

The former golf club, well launched in its second season, with its charming interior permeated with a home-like, informal atmosphere is celebrating its first annual "soiree" next Wednesday and Thursday, when an invitation golf tournament will be the special feature of attraction, although the committee announces that diverse entertainment will be provided for members and their guests, who will throng to the clubhouse and grounds on these two days.

Indian Hill, as usual, has been having its three days of busy club life at the end of the week. Thursday evening a special table d'hote dinner was served with a buffet supper for those golfers who pursued their tantalizing quarry in the shape of a little white ball until the dark descended upon them. On Friday, the day of buffet, the luncheon and bridge found an enthusiastic quota of members and their guests in gatherings, both large and small. Many reservations have been made for the dinner-dance this evening.

Mrs. M. H. Lieber, who has been secretary and member of the Winnetka board of education for many years, and who is also a member of the faculty of the National Kindergarten and Elementary college, attended the Industrial and Business Girls' conference at Camp Okobojo, Milford, Ia., the latter part of this week. Mrs. Lieber spoke before the conference Thursday evening on "Woman's Responsibility in Legislation." Delegates to this conference came from seven states west of the Mississippi river. The conference is sponsored by the National board of the Y. W. C. A. in New York.

Of interest to Winnetkans is the series of three weekly musicales given by Lee Pattison at the home of Mrs. Clyde Carr of Lake Forest. Mrs. William Gold Hibbard is one of the sponsors of these Thursday morning affairs, the first of which was given this week.

Indian Hill road, that delightful drive along the outer edge to the golf grounds, edged with charming homes set in beautiful gardens, will have three new families added to its list, for according to a recent report, the Hallett Thornes, the Robert Gardners and the Robert Andrews have purchased lots along its border.

Three affairs have been given for Miss Beatrice Ripley during the past week. Last Saturday Miss Judith Boddie entertained for Miss Ripley at a dinner-dance at Indian Hill club. Tuesday, Miss Elizabeth Clore was hostess at luncheon and bridge, and Thursday, Miss Marion Fulton entertained at luncheon at Indian Hill club. Miss Boddie, Miss Clore and Miss Fulton assisted Miss Ripley at the debut tea given by her parents, Mr. and Mrs. Robert H. Ripley.

Mr. and Mrs. Wilson Reid, 561 Cherry street, guest members of Indian Hill Riding club, will ride horseback to Wooster lake next Thursday, stopping overnight at Libertyville as the guests of friends there. They will be gone a fortnight, and while at Wooster lake, they will be the house guests of Dr. Paden at his summer home. The Reids expect to ride a great deal as the bridle paths in that vicinity are in splendid condition.

The many Winnetka members of the Mu chapter of the Alpha Epsilon Phi sorority of the University of Illinois will motor in a body to the musicale and tea to be given at the Rogers Park hotel next Saturday afternoon. This will be the first of a series of summer "get together" parties. Miss Viola Lang is in charge of the summer activities of the chapter.

Miss Margot Atkin of Indian Hill road entertained at luncheon Friday of last week in honor of her cousin, Miss Evelyn Mary Atkin of Addlestone, Surrey, England, who is spending the summer with her. Wednesday, Mr. and Mrs. John Handy gave a sailing party on board the schooner yacht, Wendemeen, for Miss Atkin.

Mr. and Mrs. William Bacon, who have been visiting the latter's father and mother, Mr. and Mrs. George W. Blossom of Hubbard Woods, left Wednesday for Macomb, Ill., where they are residing temporarily. Mrs. Bacon expects to return to spend the month of August with her parents.

Miss Jean Forrest, daughter of Mr. William G. Forrest of 485 Willow road, has had as her guest, Miss Jeanette Hill of Winnetka, who was visiting her during the absence of the Hill family. Both Miss Forrest and Miss Hill are at Dr. J. W. F. Davies' camp at Lake Hamlin.

George P. Racine and his son, George, 561 Winnetka avenue, have been attending the roundup at Belle Fourche, S. D., for three weeks. Mr. Racine is expected to return home soon, but his son plans to spend the rest of the summer on the ranch.

Friends of Mr. and Mrs. G. Erickson of 710 Center street, gave a housewarming for them last Saturday.

Mrs. John Marshall and her son returned Wednesday evening to their home at 1010 Pine street, after a week's visit with Dr. and Mrs. J. F. McClendon of Minneapolis at their cottage at Cass lake, Minn. Mr. Marshall's sister, Mrs. Eugene Day, and his daughter, Janet, accompanied them to Cass lake, but Janet Marshall is remaining with her uncle and aunt until the first of August.

Mr. and Mrs. George L. Brannen, 479 Orchard lane, and Mr. and Mrs. Louis Hosbein, 491 Orchard lane, started together yesterday on a motor trip through the East. The party plans to go through Canada by way of Montreal and Quebec, and spend the greater part of the time at Lake Placid and at Bretton Woods in the White mountains.

Among the many dinner parties given last Saturday night at Sunset Ridge Golf club, were the following: The Sidney F. Bartlett's of 821 Foxdale avenue, entertained 16 guests; the Hill Blacketts of 300 Fairview avenue gave a large dinner, and the John Bagleys of Chicago entertained a large company of friends.

Among the Winnetka women interested in small gardens, who have been attending the School of Landscape Design at Lake Forest, are Mrs. Stephen Foster, Mrs. Frank Fuller and her daughter, Miss Phoebe, Mrs. Devroe Getman, Mrs. Ballenger, Mrs. Ernest White, and Mrs. Randolph Buck.

Mrs. Ralph Sargent, 248 Linden avenue, is chairman of the picnic for 50 children from the Chicago Commons that will be given by the Ridge and Linden Avenue circles Tuesday, July 28, at the beach. A motor ride and a swim are planned for the youngsters.

Mrs. W. B. Baggaley, 19 Warwick road, has as her guest for a fortnight, Mrs. Richard Nephew of Cleveland. Mrs. Baggaley's mother, Mrs. Anna Jones, left this week in company with friends from out of town, for a month's trip to Alaska.

Mr. and Mrs. Dudley L. Smith, 819 Humboldt avenue, and their young son, James, who has recovered from a severe illness, and is at present convalescing at home, will leave the latter part of this month for different points of interest in Colorado. They will be away until early autumn.

Mr. and Mrs. Thomas McNally, 1087 Elm street, entertained a number of friends at the dinner-dance at Sunset Ridge Golf club Saturday, July 11. Mr. and Mrs. McNally will have as their house guest for a fortnight, Miss Betty Finney of Kansas City, who will arrive next Wednesday.

Mr. and Mrs. William H. McCauly have returned to their home at 439 Maple avenue, after nine months' spent in Baltimore, Md., where Mr. McCauly was called on business. Mr. and Mrs. McCauly closed their Winnetka home for the period of their absence and motored to Baltimore.

Mr. and Mrs. August C. Pearson of 898 Cherry street, have returned to their home after a week's motor trip through Wisconsin, where they visited the Dells and other points of interest. Mr. and Mrs. Pearson were accompanied on their trip by Mrs. Pearson's sister, Mrs. J. Kotz.

George Kershaw, 325 Woodland avenue, returned recently from a three weeks' fishing trip at the home of Royal Bouchor in Proctor, Minn. The boys' catch was one of the best of the season, according to information from reliable sources.

Mr. and Mrs. Oscar Parson, 635 Maple avenue, announce the engagement of their daughter, Myrtle Victoria, to John F. Stennlund of Evanston.

Mrs. Arthur A. Kudner and Mr. Kudner's mother and father of 16 Warwick road, took the boat trip to Milwaukee Wednesday.

Vacation Time

suggests a host of lovely things
for sports wear—and they all
await you here

First of all, there's a charming array of Sports Frocks for a score of summer occasions. They're in prints, chiffons and georgettes. Exactly the thing for smart wear at the country club, for afternoon at the tea, and for evening affairs, too.

And then for out-of-doors in July and August there are delightful little sports dresses of homespun, and, if you like, gay sweaters to give the touch of color to the fairway, the bridle path and the countryside along some alluring motor trail.

You'll find selection here easy and pleasant. Will you come to our shop and see?
