

THEATERS GET SUPER-FILMS

Elliott Houses Contract for First-Run Pictures

The managements of the New Evanston and the Hoyburn theatres, of Evanston, have signed the greatest contract for super-productions for one city that has ever been recorded, according to a statement given out this week by Clyde Elliot, president of the New Evanston Theatre company, concerning the first-run picture agreement that had just been announced by the two play houses.

Under this contract first-run pictures will be brought to Evanston ahead of all the theaters between Lawrence avenue and Waukegan, it is explained. These films will include the productions of many of the best known leaders of the film industry and will include such stars as Rudolph Valentino, Douglas Fairbanks, Norma Talmadge, Bettie Bronson, Mae Murray, Adolph Menjou, Buster Keaton, Jackie Coogan, and those of the Metro-Goldwyn studios.

According to the announcement, all the new productions of the above screen luminaries will be shown first at the New Evanston and the Hoyburn. And starting July 27, Evanston will also see the productions of Colleen Moore, Reginald Denny, Corinne Griffith, Norman Kerry, Constance Talmadge, Richard Barthelmess and Milton Sills.

You Will Look Back

when you become old and your earning power has declined, and wonder how on earth you could possibly have been so foolish as to have spent all you earned—but then it will be too late.

The thing to do is to look ahead, to anticipate that period when expenses will go on just the same and income will not, and put by a little each week NOW. The longer you wait the more danger there is for you.

An account at the Winnetka Trust and Savings Bank will be both a pleasure and a protection to you.

YOU DID!

YES, I got up this morning, had a nice bath, put on fresh linen, and oh, boy! how good it makes one feel. You know an automobile is a good deal like a human. Give it oil, grease, and tighten it up every so often, and the result is a smooth-running engine, no squeaking and sure braking power—a machine just humming with life to go.

For economy's sake—call the *Hubbard Woods Garage*. You will receive reliable service and courteous treatment.
