

# KEATON FILM HERE FRIDAY

### Famous Comedian to Be Seen in "Seven Chances"

"Seven Chances," Buster Keaton's newest picture scheduled for Friday, August 7, at Community House, is a version of the Belasco stage success of several years ago, and tells the story of a young man about Wall Street whose code in life is of such a generous nature that he gives away the funds of his partner and himself for the sake of sweet charity, and everything seems about to crash.

Just then his uncle leaves him a legacy of \$7,000,000, with the only proviso that he be married by seven o'clock that same evening. He rushes to the home of his best girl, and asks her to marry him so that he can get the fortune. She refuses him on such ground, so he is left to find some one who will marry him.

Then the fun begins in earnest, Buster tries one after another of the beautiful girls he meets, but to no avail—and let us state right here, that they are quite a collection. Then he advertises in the newspaper for a wife, and is deluged with tons of femininity. What seems to be a crowd of several thousand starts after him, and poor Buster is kept dodging the marriage-mad females.

Here the picture becomes a run-away, and the audience is left gasping for breath and holding its sore jaws; Needless to say, the "one" girl finally marries Butser in time for him to get the \$7,000,000.

Edgar Foster Alden, 352 Linden avenue, left last Saturday for Miami, Fla., where he will be for about 10 days on business.

### Winnetka Tennis Stars Play at Indianapolis

Edmund Fulton, son of Mr. and Mrs. Frank Fulton, 884 Hill road, Winnetka, is representing Indian Hill as junior champion at a semi-final tournament being held this week at Indianapolis, Ind. Buster Holloway, Skokie junior champion, is also at Indianapolis with Fulton seeking honors on the courts there.

Next week both the boys will play at Culver in another semi-final round and winning through either of these two tournaments will land them places in the final match play which is to be staged in South Chicago on August 10.

Both of these lads have made brilliant careers for themselves throughout the north shore and Chicago, during the past two or three years and are expected to have a good chance to go into the finals where they will meet the nation's best for the title.

I am sorry we have to wait for dinner, Careful, but since we moved out here we have a hard time getting service from our butcher. His deliveries are late about half the time, and he cannot seem to help it.

The thing for you to do, Happy, is to trade right here in the village with PETERS MARKET. His delivery system is always on time, as he prides himself, not only on selling the best meats, but on good service as well.

That Oiling and Greasing an automobile is not a desirable job—neither is Washing and Polishing, unless you are properly dressed and equipped for that sort of work. Even then, it's no snap. Better bring your car to us. We'll do a satisfactory job on a cost plus basis.

the life of your clothes by having them thoroughly cleaned at regular intervals. Summer dust cuts into the materials. Cleaning preserves their "newness" and neatness.

WE KNOW a man in THIS town who is in A RUT and we happen TO KNOW that he doesn't LIKE his work and never HAS and that he is ALWAYS looking for an OPPORTUNITY to get into SOMETHING else and that IS WHAT he should do BECAUSE he never will MAKE good so long as HIS job is irksome— AND THEN we know ANOTHER man in this TOWN who enjoys his WORK so much that his WIFE says he wouldn't COME home at all if it WERE not for the looks OF THE thing, and that's EXACTLY the way it is WITH us when we get TO talking about our LINE of Toilet articles BECAUSE we get so ENTHUSED about them THAT we nearly forget TO GO home to our MEALS.
