

Winnetka Woman Witness of Police-Bandit Fight

Mrs. Edgar F. Alden, 352 Linden avenue, was an eye-witness of the chase and gun battle with the bandits who robbed the Drake hotel in Chicago in one of the boldest daylight hold-ups in police annals Wednesday afternoon of this week. Mrs. Alden was driving south on Lake Shore drive, and was about a block north of the hotel when she heard the rattle of revolver shots and saw the bandits with police in pursuit speed northward along the drive shooting as they went. She saw several policemen nearby commander motor cars and take up the chase. At first, she said, she thought that a hold-up had occurred on the street. It was several hours before she learned what had happened.

New Nelson Laundry Is Classed Among Finest

Winnetka now has the most thoroughly modern laundry in the United States, according to the statement of officials of the Nelson Brothers laundry which moved into its new building at 566 Chestnut street, this week.

The new plant, which is housed in a modern two-story brick building, is electrically equipped throughout and has all the latest laundry equipment. In fact, it is 10 years ahead of the time, it was said. Among other features there is a rest room for women employes on the second floor. The building has been under construction since last November. Its size is 112 by 150 feet.

Chick Evans Has Praise for Illinois Golf Links

"Chick" Evans, of golfing fame, together with Judge Dennis F. Sullivan of Chicago, J. R. Murphy and C. W. Jordan were guests at the Illinois Golf club this week and played a round on the course. Evans' score for the first nine holes was 34 and for the second nine 39, making a total of 73 for the course. Evans expressed himself as very much pleased with the course and rated it as one of the best near Chicago. He made particularly favorable comments on the construction and arrangement of the course.

Announce Services at Scandinavian Church

Regular Sunday evening services of the First Scandinavian Evangelical church this week will be held at 8 o'clock, with H. O. Olney as the speaker. A quartet from Chicago will give several selections. There will also be solo numbers.

Next Wednesday evening, the usual Scandinavian services will take place with the speaker as yet unannounced.

The English Young People's Bible class will meet next Friday evening, instead of Thursday, with Mr. Olney as teacher.

More New Residences in Week's Building Grants

Several permits for new residences were issued at the Village hall this week. C. H. Barnard will erect a frame residence at 659 Locust street, which will cost \$16,000. J. T. Metcalf has taken out a permit to build a frame and stucco residence with attached garage at 649 Locust street to cost \$15,000, and Dr. Elbert Clark will build a new frame and stucco garage and servants' quarters at 635 Blackthorn road, which will cost \$6,000.

The first social event in honor of Miss Eleanor Eckhart of Kenilworth, who will be married in the fall, will take place this evening when Mrs. E. C. Andrews will entertain at a dinner at her home, 785 Willow street.

A NEW LINE of CADILLAC CARS

At Substantially Lower Prices

Providing a new standard of beauty, a new measure of ease, and a new brilliancy of performance unequalled in Cadillac history—and true to all the fine Cadillac traditions.

We are certain that you will share our opinion that the new eight-cylinder Cadillac cars not only surpass all others in every important essential, but go far beyond Cadillac's previous best.

Ensemble

The new Cadillac wears a distinction of design which has heretofore attached to no motor car of American manufacture.

Low to the ground, lithe, every curve and phase bespeaks fineness, distinction, youth, good taste.

Beautiful bodies by Fisher present the characteristic luxury of the finely wrought.

In these splendid Cadillacs, the lover of fine motor cars will instantly recognize that Cadillac has added the finality of attractiveness to unapproachable structural supremacy.

Mechanical

A finer expression of the famous Cadillac 90-degree, V-type, eight-cylinder motor, gives performance abilities which more noticeably than ever out-class all other types.

Cadillac has builded anew on the tested principles of eleven years of eight-cylinder superiority.

The results are even more satiny power-flow, still smoother and quicker acceleration; perfection of balance previously unattainable, riding ease comparable with nothing but another new Cadillac.

The scope of Cadillac's mechanical achievement is indicated by an investment of more than \$2,500,000 in jigs, tools and dies alone for the purpose of producing the finest Cadillac in history.

All the resources—engineering, purchasing and manufacturing—of both Cadillac and General Motors have been brought to bear upon this paramount object.

Repute

All of Cadillac's 23-year experience in manufacturing fine cars—the last 11 years with 8-cylinder cars exclusively—unites with Cadillac's latest engineering conceptions in this new creation.

Twenty-three years ago, Cadillac laid the foundation—in manufacturing ideals, in standards of craftsmanship, in honesty of purpose—for the highest endorsement ever given a car.

Eleven years ago, Cadillac presented the first eight built in America; and for eleven years, through scientific development of that principle, Cadillac has retained a leadership never approached.

The new Cadillac cars are Cadillac's greatest achievement.

Standard Line

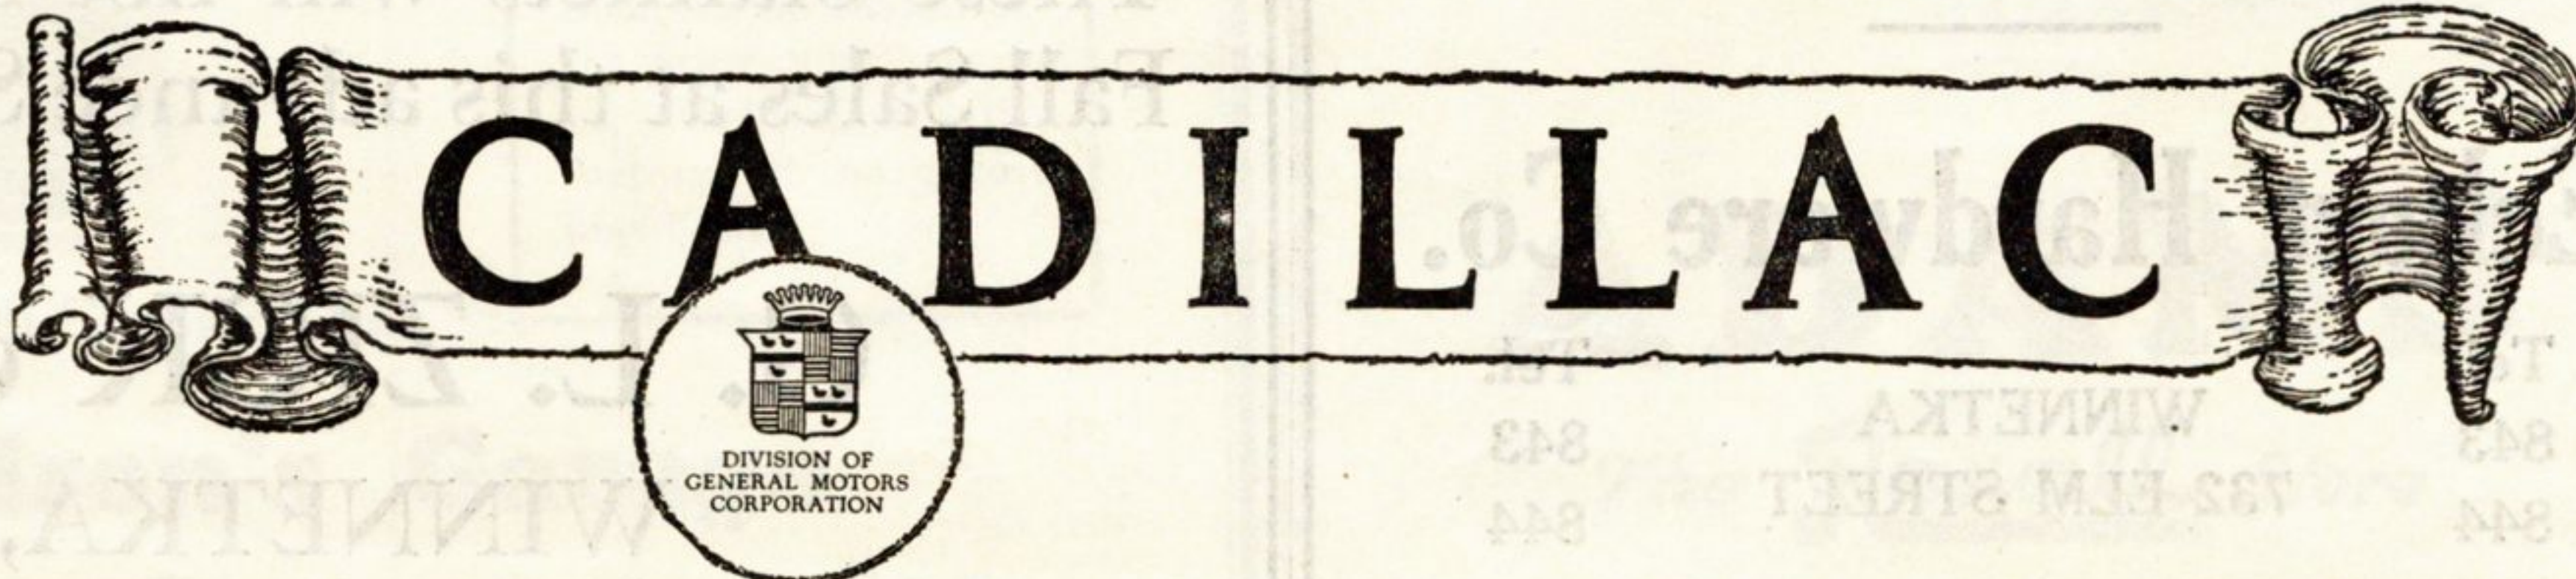

Five-Passenger Brougham, \$2995; Two-Passenger Coupe, \$3045; Four-Passenger Coupe, \$3095; Five-Passenger Sedan, \$3195; Seven-Passenger Sedan, \$3295; Seven-Passenger Imperial, \$3435.

Custom Line

Roadster, \$3250; Touring Car, \$3250; Phaeton, \$3250; Five-Passenger Coupe, \$4000; Five-Passenger Sedan, \$4150; Seven-Passenger Suburban, \$4285; Seven-Passenger Imperial, \$4485.

All prices quoted F. O. B. Detroit. Tax to be added.

The privilege of deferred payment, over a twelve months' period, is gladly given on any Cadillac car.
