Band Concert—Dance

In addition to a band concert, there will be special entertainment in the evening, but the exact nature of this has not been definitely decided upon by the entertainment committee. There will be refreshments for sale on the grounds, and these will be of the highest quality and lowest price, it was announced.

Races and contests which will be held Winnetka Day at the Elm street park across from Skokie school have been arranged and will be directed by the race committee of the Chamber of Commerce, of which Sanborn Hale, cashier of the Winnetka State bank, is chairman. A definite schedule of the races has not yet been announced, but it is said that there will be something for everyone, young and old alike. There will be numerous valuable prizes, donated generously by the business men of the village in order to make this day the most interesting and enjoyable as well as the largest celebration ever held in the history of the village. All residents of Winnetka and Hubbard Woods are urged to be present and to join in the sports.

To gather the community's financial resources into a reservoir; and then direct them into channels where they will foster production and employment, and promote the general prosperity.
