

'EXCUSE ME' IS NEXT BIG FILM

Rupert Hughes' Story at Community House

Rupert Hughes' "Excuse Me" has been selected as the feature picture for next Friday's showing at Community House. One writer says:

"Excuse Me" is the most moving picture of the year; it moves with express train speed from the start, when a young couple are taxicabbing wildly about Chicago looking for a minister to marry them, through the hilariously adventurous trip across the Continent in a Pullman train, to the sensational finish when the nearly-weds catch the transport for the Philippines by way of an airplane to San Francisco.

It's an out and out farce, with no other object than entertainment. And it's sure-fire entertainment that will sweep any theater with gales of laughter. Written in 1910, it scored a record success on the stage, running for years with four companies playing it all over the country. Published as a book, it kept up to the big selling standard of Rupert Hughes' highly successful novels. And now, elaborated, modernized, pepped up for motion pictures, it's more joyously amusing than ever.

"Our Gang" will appear on the same bill in "Every Man For Himself." Performances start at 7:30 and 9 o'clock.

Miss Laura E. Fisher, assistant treasurer at the Winnetka Community house, left Monday to spend a few days at Winona Lake.

Mrs. Donald Murray of 832 Bryant avenue has gone to Michigan to spend some time as the guest at the Willard Beatty summer home there.

Earl Weinstock Has Big Task as Grounds' Expert

Earl Weinstock, chairman of the grounds committee of the Chamber of Commerce, which is in charge of affairs on Winnetka Day, Thursday, August 20, is faced with a big job in getting in readiness the Elm street park, where the big picnic will be held. It is planned to have the park suitably decorated and this presents a problem, according to Mr. Weinstock. Not every kind of decoration will harmonize with a natural setting and care must be taken to see that the picnic grounds present an attractive appearance, while, at the same time, the space to be decorated is so large that it is difficult to decorate without a heavy financial outlay. The grounds committee has also made arrangements for accommodating the Chamber of Commerce band for a street dance to be held in the evening.

Walter Hagen, world famous golfer, and William Mehlhorn, Western Open champion, will play a 36-hole exhibition match at the Westmoreland Country club Sunday, August 16. The first 18-hole round will start at 11 o'clock in the morning and the second round will begin at 3 o'clock in the afternoon. The match will be open to the public, with an admission charge. This will be the first time that Hagen has appeared in these parts in four years and officials of the club are preparing for a crowd of more than 1,000 spectators.

The New Bead Construction does it

THE new Kelly Tire has a *real non-skid* tread. So quiet it doesn't even purr. So tough and rugged, the new Kelly will out-mileage any tire we have ever known.

A new construction, exclusive with Kelly, makes the bead an integral part of the tire. This gives the entire carcass a flexibility without which the new easier-riding, longer-wearing Kelly tread could never have been achieved.

We have the new Kelly Cord in all sizes.
