## Wilmette Woman Addresses Kiddies' Radio Audiences

Miss Clementine Eastman, daughter of Mr. and Mrs. O. C. Eastman, 1027 Elmwood avenue, spoke over radio station WGN Monday evening during "Skeezix Hour" as a representative of the National Kindergarten and Elementary college.

Miss Eastman has made frequent appearances as a narrator of children's tales at this station on the two nights reserved each week for representatives of the college. She is a teacher in the Winnetka kindergarten and last winter one of the regular treats of her pupils was that of listening to their own teacher's voice coming through the ether to tell them fascinating stories.

Mondays and Saturdays at WGN are held for representatives of the National Kindergarten college. The programs are made up of stories, songs and other entertainment and continue from 5:30 to 6 o'clock.
