### Rimini Out of Tune With Judge; Answer \$15 Plus

Giocomo Rimini, well known operatic baritone, who has been delighting Ravinia audiences with his singing during the summer months, was all out of tune with Police Magistrate D. M. Mickey, last Wednesday afternoon on a charge of speeding and paid a fine of \$15 and costs. He had been arrested Monday morning by Motorcycle Policeman Clement Ley of Kenilworth, who charged him with traveling at the rate of 35 miles an hour on Sheridan road, Kenilworth. Signor Rimini explained that he had been on his way to see a friend in the city and had become so interested in a conversation with a companion that he had forgotten to notice his speedometer.

### Scheibe, Inc. Starts Grocery at Indian Hill

### ESSAY BRINGS TRIP TO COAST

#### Secretary of Hadley School Wins Movie Award

Three hundred words on "What Motion Pictures Mean to My Community" won for Alfred Allen, well known secretary of the Hadley Correspondence School for the Blind in Winnetka, a free trip to California with Mrs. Allen, also a guest of the Chicago Evening American on the tour.

The essay contest was conducted recently throughout the United States by 42 leading newspapers as a part of the national Greater Movie Season. Approximately 100,000 essays were submitted in these contests, the Chicago contest being one of the largest. Besides winning this prize, Mr. Allen's essay will have a chance at the national prize, which is to be a trip around the world.

Mr. and Mrs. Allen will travel westward on the Rock Island-Southern Pa-

cific Railway over the Golden State route to Los Angeles and will return by the same route. Mr. Allen called at the newspaper office Tuesday for his award and announced that Mrs. Allen would accompany him.

"Movies teach us history and geography in concrete fashion. They create national pride by depicting stirring scenes of pioneer days and the wonderful natural beauties of America. They stimulate travel, reading and an appreciation of art, nature and music and interest in commerce, industry, science, thus elevating our standards of intellect and culture," says Mr. Allen.

After citing the advantages to those of various ages and classes, Mr. Allen sums up: "For all, the easiest and best way of passing idle hours or taking us out of ourselves when beset with trials or troubles." And again, "For every class in middle life, enjoyable evenings after cares of busy days, relaxing to mind and body, yet stimulating to emotions."

### LEE SAYS:

LOTS of people ask US from day to day WHAT Lee is going to SAY next week, and WE'RE mighty glad to KNOW that they are INTERESTED in this LITTLE weekly—or WEAKLY—message of OURS, but after all IT isn't so much what WE say that is IMPORTANT—it's what WE do that counts—AND right here we WANT to say that this CITY of Winnetka DESERVES a pharmacy THAT'S away above the AVERAGE because we THINK we're above the AVERAGE community—so WE'RE trying to live UP to these high STANDARDS and if you THINK we're failing WE wish you'd tell us FRANKLY—and on the OTHER hand, if you feel WE'RE making good, GOSH, how we'd like to HEAR you say so!
