

LOCAL GIRL MAY GET WORLD TOUR

Miss Zita Hayes Entered in Illinois Products Expo Contest

REPRESENTS VILLAGE

Two Girls from Entire State to Take Trip

How many girls would like to take a trip all the way around the world, with all expenses paid, and acting as an official representative of a great state?

A Winnetka girl may have the adventure of such a trip, round the world by the way of the Orient, through Egypt and the Mediterranean, as an official representative of the state of Illinois this fall. Miss Zita Hayes, 869 Locust street, representing Winnetka is competing with from 30 to 35 active candidates from other Illinois towns and cities for the honor.

The Illinois Chamber of Commerce, through the medium of the Illinois Products Exposition, is offering this opportunity of a lifetime to the two girls—one from Chicago and one from the state at large outside Chicago—who sell the most advance tickets to the Illinois Products Exposition, to be held in the American Exposition Palace, Chicago, October 8-17, inclusive. The girl who lives outside the city limits of Chicago, will not compete with the Chicago girl for the round-the-world tour, or any of the other prizes offered in the contest. And she has a better chance than the Chicago girl, it is pointed out, because in Chicago there are 106 active contestants, while there are less than 35 outside the city.

Contest in Progress

Contestants who sold 10 or more tickets by September 5 and reported the same to A. R. Shaffer, director of the Round-the-World Tour campaign, at contest headquarters of the Illinois Chamber of Commerce, 10 So. LaSalle street, received a bonus of 1,000 free vote credits, a good send-off toward winning the round-the-world trip.

The preliminary competition in ticket selling ends Saturday, September 19, after which the contest will be narrowed down to the 10 girls in the state who have sold the most tickets up to that time. It is hoped that all residents of Winnetka will buy their tickets early so that Miss Hayes will be sure to get her chance in the finals of the contest. Tickets may be bought at most of the stores and business places in the village, or from Miss Hayes herself.

The tour begins at San Francisco, from the waterfront made famous in the romantic stories of Jack London, Frank Norris and Robert Louis Stevenson. Six days after leaving, the liner glides into the harbor of Honolulu, with its famous beach of Waikiki, its fields of sugar cane and pineapple, its volcano, its submarine gardens and sumptuous hotels.

Visit Many Lands

Then across the broad Pacific to Japan, to Kobe, which will be viewed from rickshaw chair or automobile. China, with its ancient cities, its temples and tea houses and bazaars will be visited next.

Egypt and the blue Mediterranean, the famous straits of Gibraltar, after a tour of the battlefields, Paris and London, and finally, after the trip across the Atlantic, the port of Boston.

Some Illinois girl will win the trip, and another will win a tour around

the United States, which is the second award, and 14 other grand prizes, according to Harvey T. Hill, general secretary of the Illinois Chamber of Commerce.

Social Happenings

One of the prettiest weddings of the late summer season was that of Phyllis Mary Ogan when she became the bride of George Ripley of Troy, N. H., Saturday, September 5, at the Winnetka Congregational church.

Tall cathedral candles lighted on either side of the center aisle were very impressive together with the massive banking of palms and beautiful gladioli of yellow hue which completely covered the altar with the exception of the two white satin kneeling cushions. The bridesmaids and maid of honor, gowned in yellow chiffon, with brown tulle hats and long tulle streamers with the exception of the maid of honor's hat which was of orchid shades, made a charming picture.

A wedding breakfast was served to the guests at the home of the bride's parents immediately following the ceremony. The bride and groom have left for a honeymoon trip in the East.

The Chicago Woman's club, of which Mrs. Harold L. Ickes of 900 Private road is president, has just mailed to its members the forty-ninth annual announcement of its activities. It is one of the country's parent clubs. This organization has done as much, if not more, it is stated, than any other one association of women to make history for the federated clubs of the United States. Mrs. George Packard is first vice-president, Mrs. John W. Plain, second vice-president, Mrs. Joseph Redfern, Mrs. Emile Levy are the secretaries, and Mrs. Arthur Stephens is treasurer.

Mr. and Mrs. Heyliger de Windt and Mrs. deWindt's father, J. H. Arnold, who have been spending the last three weeks at Bigwin inn on Bigwin Island in Ontario, have returned to the village. Next week, Mr. and Mrs. Heyliger deWindt, Jr. of Great Barrington, Mass., will be the house guests of Mr. and Mrs. deWindt for 10 days. They have been visiting Mr. deWindt's sister, Mrs. Randolph G. Owsley of Lake Forest for two weeks, and have been guests of honor at a number of social affairs.

Mr. and Mrs. Charles Matz of Lincoln avenue, have rented their home for the winter to Mr. and Mrs. Milton Kirk, who will remain there until May 1, and spend the summer in Europe. Mr. and Mrs. Matz and their family have gone to California where they will reside for a year, in all probability.

Mr. and Mrs. Fitch Bosworth and family, 881 Spuce street, have returned from Lake Ripley, Wis., where they have been the guests of Mrs. Bosworth's mother, Mrs. Hopkins, at her summer home for the past five weeks.

Several Winnetka girls will leave September 15 to enter their first year at Vassar college. The Misses Beatrice Ripley, Louise Sherman, Mary Miller, Mary Ott, and Suzanne and Cynthia Kohlsaat are included in this group.

Mr. and Mrs. Wirt Farley of Farley of Walden road entertained the Neighborhood Bridge club last Wednesday evening at four tables of bridge at their home.

Mr. and Mrs. Frederick Hurlbut, 934 Pine street, announce the birth of a daughter at the Evanston hospital, August 24. The baby will be called Barbara.

Mr. and Mrs. John Dewar and their family, 797 Pine street, have returned from a motor trip of two weeks through the state of Indiana where they visited different points of interest.

Franklin C. Ellis and Miss Margaret Amelia Ellis of Swarthmore, Pa., are the guests of Dr. and Mrs. Harrison L. Mettler of 1119 Sheridan road.

Mr. and Mrs. Richard Webster of Provident avenue, and their family, are spending a fortnight at the Waukesha baths in Wisconsin.

Miss Mary Hewes and Miss Charlotte Wittsten are back at the Winnetka Public Library after having spent two months at Estes Park.

Miss Emily Hadley, 913 Oak street, is spending a week with friends in Owensville, Ind., before returning to Earlham college at Richmond, Ind.

Mrs. Arthur Gedge of West Elm street, with her young daughter, has returned from a vacation spent at her father's home in Rantoul.
