THE WISE HOSTESS

realizes that it is much more satisfactory and economical in the long run to serve our pure and delicious ice creams and frozen dainties than to attempt making them.

Ice cream made in the home kitchen is rather cumbersome of preparation, none too economical as to ingredients and not at all certain as to results.

There is no experiment attached to buying Exel Ice Cream, it is an established quality.

While our prices are not the lowest our quality IS the very highest.

Our specialty is private home delivery and party catering.

We deliver in Wilmette, Kenilworth, Winnetka, and Glencoe.
