

OPEN CONCERT WAITING LIST

Still Opportunity to Obtain Season Tickets

Some of those who have been disappointed in the past in securing season tickets for the New Trier Symphony concerts will be able to do so this year. Officers of the association are anxious to correct the impression that no tickets will be available. While it is true that more tickets are subscribed for than there are seats in the New Trier auditorium, yet there are a certain number that move away or who do not take their tickets for various reasons.

After September 21, tickets will be offered to those on the waiting list. R. D. Burtner, 1504 Monadnock building, Chicago, is putting names on the waiting list as fast as they are received. Tickets are not sold for the individual concerts of which there are to be seven.

The Symphony concerts have been the means of bringing people from New Trier Township together in a very pleasant way. The concerts have not only been very entertaining in themselves, but the social features have proved to be increasingly enjoyable. The date of the first concert which will be early in October will be announced next week together with the program.

Grant Railway Permit for Highway Crossings

The Highland Park city council, at its meeting last week, passed an ordinance granting a temporary permit to the new west line of the Chicago and North Shore railroad for four crossings in the city limits. These crossings are at County Line road, Clavey road, Deerfield avenue and Deerfield road.

The permits are good for six months and, due to the fact that the crossings, to be put in immediately, will not meet the city, Illinois State Commerce Association or Illinois State Highway department's specifications, the ordinance specifies that the lines shall be used for construction trains only and that, at the expiration of the present permit, proper crossings shall be installed.

Chicago and North Western railway was also granted a permit to lay a sewer under their right of way through the city.

Mr. and Mrs. Joseph B. Coombs and their family, 142 Church road, have returned from a month's trip in the East. They spent some of their time at Mt. Chatham, Cape Cod.

Mrs. Lowell Copeland of Lakeside, Mich., is the guest of Mrs. Horace Tenney of 640 Pine street.

Mr. and Mrs. Stephen Foster of 596 Maple avenue, departed Monday for a fortnight's stay in Estes Park.

EVANSTON TO WIDEN LINK OF BIG HIGHWAY

R. M. Brown, Evanston superintendent of streets, is now completing plans to widen West Railroad avenue and Ridge avenue at the junction of Emerson street and the North Western railroad, he announced this week. The wider thoroughfare is needed to meet the traffic congestion which will result from the opening of McCormick road, now being completed by the Chicago Sanitary District and which will lead to the proposed new traffic highway on the north shore.

The widening of West Railroad and Ridge avenues at this point will facilitate travel and lessen congestion at the point where most of the heavy traffic goes through Evanston from north to south on Saturdays and Sundays. Ridge avenue runs into West Railroad avenue at this point making a 130 degree angle. It is the purpose of the Street Department to eliminate this angle entirely and permit the heavy traffic from north to south to go over West Railroad avenue without delay and confusion.

Lake Bluff Orphanage Gets Excellent Staff

The Lake Bluff orphanage opens this fall with a fine staff, the women being specially trained in the work for which they are registered. Miss Helen Ramsey, who will have charge of the boys is a graduate of Lawrence college. She will pay particular attention to the development of character out of school hours.

Miss Anne Kinkel, a graduate of C. M. T. S., is registering as secretary and Miss Jane McGinnis, an experienced graduate teacher, will assist Mrs. Helen Prouty. Miss Elizabeth Eussley, who taught in private schools for a number of years, will have charge of the home placement department for the next two years.

The home is one of the principal welfare beneficiaries of the Wilmette Parish Methodist church.

TRY THIS OUT

"One phase of radio reception which is generally overlooked and yet has a most important bearing on results," says Dr. Alfred N. Goldsmith, Chief Broadcasting Engineer, of the Radio Corporation of America, "is the location of the loud speaker.

"It is astonishing how considerably radio music can be modified by changing the location of the loud speaker. A little experimentation along this line will generally produce worthwhile results. Especially is this true in summer, when the static background stands out boldly unless the sound volume is reduced. The loud speaker, located indoors, will give more volume but it will also focus attention on every little detail, static background included, no matter how faint it may be.

"On the other hand, if the loud speaker is brought out on the porch or on the lawn, little details of its voice are no longer discernible and only the main theme—music or speech—remains to attract attention of

Social Happenings

Mr. and Mrs. Harry C. Holloway of Glencoe, will give a debut tea for their daughter, Miss Ruth, Saturday, September 19, from 4 until 7 o'clock, at their home, 589 Sheridan road. Assisting the debutante will be the Misses Jan Scriven, Joan Stuart, Margaret Orde, Gertrude Smith, Agnes Cornell, Martha Thomas, Katharine Adams, Evelyn Wood, Eleanor Stevens, Elizabeth Clore, Mary Ott, Mary Fentress, and Elizabeth Stout of Indianapolis. Following the reception, Mr. and Mrs. Holloway will give a dinner-dance at Skokie club for the girls who assisted during the afternoon.

The results of a summer's painstaking care and pruning in Glencoe gardens will be manifested at the third annual Flower show that will be held for Glencoe exhibitors under the auspices of the nature committee of the Woman's Library club of Glencoe in the Masonic hall, Thursday, September 17, from 2 until 9 o'clock.

Ribbons will be awarded under the following classifications:

Class I. Perfection of Individual Bloom. Entries may be made in this class with zinnias, dahlias, gladioli, asters, and verbenas, or a novelty which may lend to garden effect.

Class II. Decorative use of Flowers: (a) flowers arranged in owner's container, in vase, bowl, or basket; (b) breakfast table set for 2; entries may be made with cover, china, glass, but no silver, and card tables will be furnished by the committee. Anyone wishing to enter this exhibit is asked to telephone Mrs. W. Harry Davis, Glencoe 459.

Class III. Children's exhibit: (a) 7 to 12 years of age; (b) 12 years and

over.

Professional gardeners and nurserymen are urged to exhibit at this affair, which is one of the large, colorful summer events that attracts to its midst, lovers of flowers from Glencoe and along the north shore. The committee states, however, that ribbons will be awarded only to amateur exhibitors.

Those making entries are requested to bring cards bearing the name and classification, and all exhibits should be in by 10 o'clock in the morning, Thursday, September 17.

Mrs. Henry Taylor Smith of 710 Bluff street, Glencoe, has issued invitations for a tea to be given at her home Wednesday, September 16, at which she will present to society her daughters, the Misses Dorothy and Gertrude Smith. Mrs. Sheldon Knight of Chicago, a cousin of the debutantes, will be in the receiving line. Mrs. Knight is well known in Glencoe by reason of her many visits in the village. The list of the young women who will assist that afternoon has not yet been definitely decided upon, but there will be many of the girls' college classmates among them.

The annual tea for the Chicago and near-Chicago girls who have been accepted for admission to Rockford college took place this afternoon at the home of Mrs. Catherine Waugh McCulloch of Evanston, a graduate of the college. To the reception committee list have been added the names of Mrs. Edwin L. Waugh

of Chicago, Miss Irene Kinney, secretary of the Chicago Rockford College association and Miss Muriel Young, chairman of the West Side Chicago Rockford College association, also of Oak Park.

Thirty girls from the Chicago region are entering Rockford this fall. Miss Katherine Adams of Winnetka will be leaving soon to register, but before going, by attending the tea to-day, she will meet the Registrar of the College, Miss Lorena Church and a large group of "just graduated" girls who are anxious to become acquainted with the entering group. This keeps a close contact between the students in college and the active association with which they will be connected.

Miss Helen English, Hawthorne lane, Winnetka, now a senior at Rockford, is soon to be an active member of the north shore branch. Miss Helen Harlan, Sheridan road, Kenilworth, who graduated in 1924, and her sister Miss Ruth Lea Harlan are among the members of the north shore branch. On the North Side of Chicago alone, there are close to 70 who have attended Rockford college, out of the 300 and more Chicago association.

Dr. and Mrs. J. W. F. Davies and their son, Gould, are returning to Winnetka Tuesday after spending the summer at their home at Lake Hamlin, Mich.

Miss Wilhelmina Harns, who was the guest of Miss June Heyda of 1139 Asbury avenue for a week, returned Tuesday to her home in Hammond, Ind.
