## Miss Virginia Berry

One of the out-of-town visitors in Winnetka, is a former resident of the village, Miss Virginia Berry, who is now living in Hollywood, Cal. Many teas and bridge parties have been given for her, and one of the recent events in her honor was the dinner-dance given by Miss Audrey Stixrud at Skokie club. Miss Berry, who is the guest of the H. I. Orwigs of 548 Willow road, will remain here until October 1.

Singly, and in groups, many young people of the village have been returning to their alma maters, or leaving Winnetka to feel for the first time that thrill of "going away to school." Our list far from complete, includes at the present time, these names. The University of Illinois has claimed the following girls and boys: Elizabeth Stutson, Audrey Stixrud, Jessie West, Irma Otten, Amy Hagen, William Martin, and Perry Lieber, Yale will have as its Winnetka representatives, Donald Crawford a sophomore, and George Massey, Crilly Butler, and Fuller Dean, who sailed from Naples Thursday to arrive in New York September 27, all of whom will enter the portals as freshmen, and Edwin Clark who will begin his senior year. Margaret White, Mary Hill, and Boyd Anderson will enter Carleton college. Bud Hill and Bob Hill are going to Tabor academy; Jack Hunter has gone to Lake Forest academy. Sherman M. Goble, Jr. has returned to Ann Arbor and Richard Goble is again at the Massachusetts institute of Technology. Janet Gordon will attend Gray Gables at Worcester, Mass., Jean Markley leaves soon for Wellesley, Dorothy Dickinson has entered Ferry Hall, Louise Badgerow leaves shortly for Miss Master's school at Dobbs Ferry, and Sheldon Clark has left for Princeton.

A number of Winnetkans who are enthusiastic members of Yacht clubs are accepting invitations from the Army and Navy club for the opening party of the season which will be a "Goodbye, Summer" dance aboard the U. S. S. Commodore, September 19. The invitation advises that summer sport clothes are the proper togs to wear and that the men are expected to bring their summer hats for the purpose of building a huge bonfire on the beach at the foot of Randolph street. This will be done through the courtesy of Capt. Edward Evers.

Mrs. A. E. Walgreen, 1072 Oak street, will entertain the Cherry Street circle Tuesday, September 22, at 2 o'clock. An invitation is extended to all women living on Cherry and Oak streets west of Provident avenue, who wish to attend.

Announcement is made of the marriage of Miss Margaret Selzer of Winnetka to William Behrens, Jr., of Glencoe, Saturday, September 12. Immediately after the ceremony, the young people motored to Stephenson, Mich., where they will make their home.

Mr. and Mrs. J. Theodore Johnson, who are well known in Winnetka art circles and advanced students in the department of drawing, painting, and illustration at the Art institute, sailed September 16 on the Beregarria for a year of study and travel in Europe. Mr. Johnson, who was awarded the Bryan Lathrop traveling scholarship of \$800 in 1925, and the American traveling scholarship of \$125 in 1924, has already done work of such conspicuous merit that much is expected of him with the coming years, it is stated by his friends.

Mr. and Mrs. Ezra Taylor, 261 Linden avenue, have returned to their home after a summer's vacation in the northern woods. Mr. and Mrs. George B. Foster of Dearborn parkway occupied their home during their absence.

Mr. and Mrs. Jack C. Anderson and their family returned to their home at 882 Oak street, Monday, from their summer home at Stoney lake, Shelby, Mich. Mr. Anderson reports a very successful camp season with a group of boys, and expects to accommodate a much larger group next summer.

Mrs. Robert Chittenden of 1368 Scott avenue, and Mrs. Justus Chancellor, Jr. of Oak street, are Winnetka members of the Fort Dearborn chapter of the Daughters of the American Revolution who were guests of Mrs. John J. Flinn of 845 Vernon avenue, Glencoe, at her home Friday, September 18, at a luncheon. Mrs. Louis K. Gillson of Wilmette was the speaker. Reports and important announcements were given.

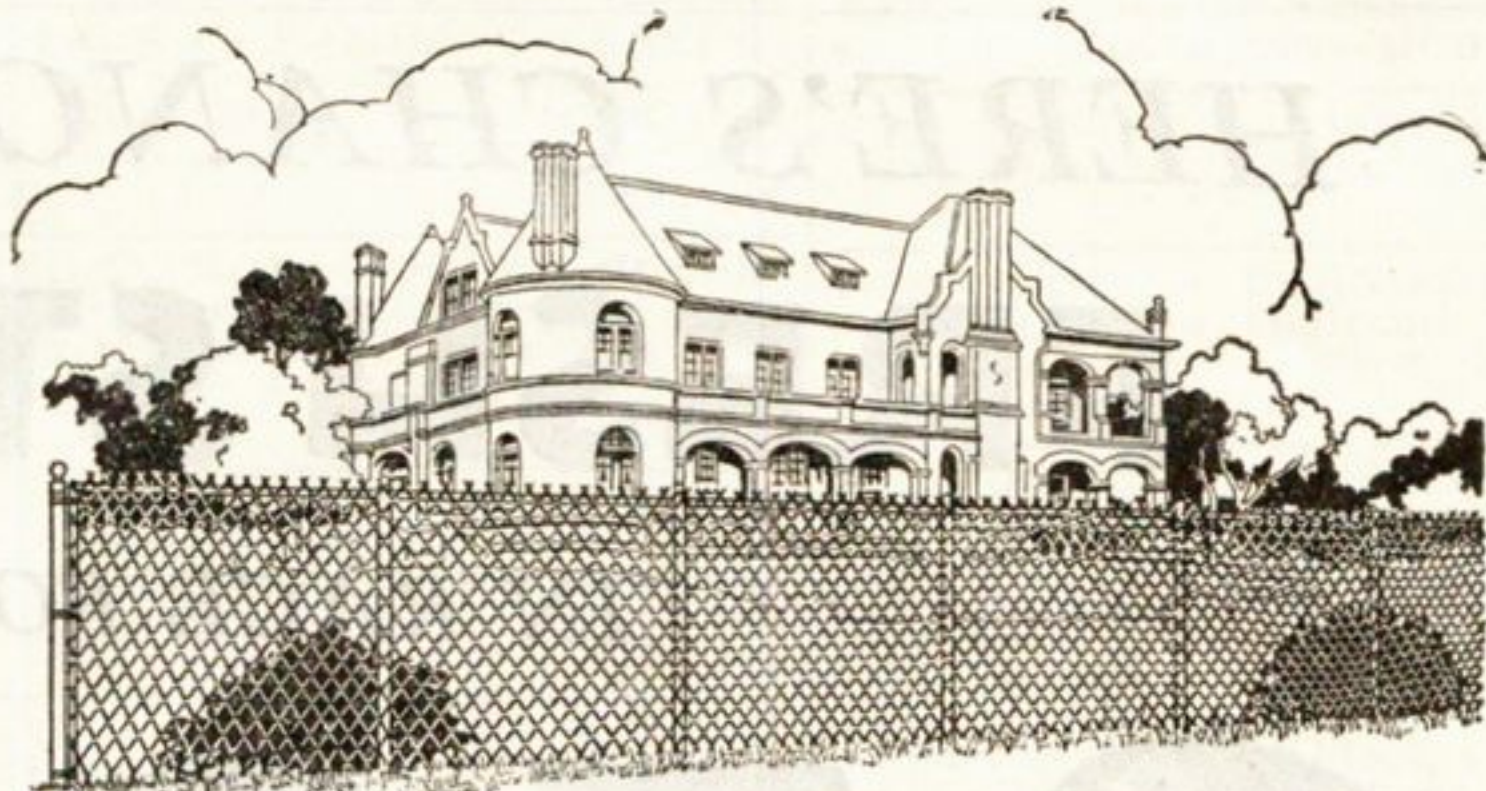

Mrs. Emmons Baine, Jr., 960 Sheridan road, is at the McCormick camp on upper St. Regis lake, where she has as her guest for a fortnight, Mrs. Mrs. Emmons Baine, Sr. Mrs. Baine, Jr. has become quite a mountain climber and has scaled many tall peaks in the Adirondacks this summer. She will not return until late in the autumn.

At a bridge-lunch at the Briergate Golf club Tuesday, Mr. and Mrs. Walter Watson Quinby of 1282 Asbury avenue, announced the engagement of their daughter, Elizabeth, to Elbert Warren Clark, III, son of Mrs. Clifton Bower Jacobs of Scott avenue, Hubbard Woods.

A number of the young folk of Winnetka will attend the annual ball to be given by the Illinois Club for Catholic Women at the Trianon, Monday, September 28, for the benefit of the fund for a chapel for the House of the Good Shepherd. The club has a membership of 11,000 women. Miss Julia Deal is president and Mrs. Joseph Owen is chairman of the ball committee.

Lincol Robertson of Glencoe, who is much interested in dramatics, is arranging to give a theater party for Miss Bertha Alling, daughter of Mr. and Mrs. Van Wagner Alling, who is to make her debut Saturday, September 19. The tea will be given at "Winfield," the Alling's Lake Forest home, prior to Miss Bertha's return to Bryn Mawr, September 20.

Miss Helen English, daughter of Mr. and Mrs. W. R. English, 375 Hawthorne lane and Miss Martha Watson, niece of Mr. and Mrs. G. A. Watson, 928 Pine street, Winnetka, will leave early this week to attend Rockford college. Miss English will enter as a senior and Miss Watson as a sophomore.

### Permanent Beauty and Protection from American Chain Link Fence

BEAUTIFUL HOMES, gardens and lawns deserve the protection and atmosphere of privacy which only well-chosen ornamental fence can give.

And right now is a particularly opportune time to secure the fence you desire in that we have inaugurated a Special Order Department in our factory at Libertyville to supply the needs of North Shore property owners.

Advantages in cost and in erection service are now possible, and if you are planning the fencing of your grounds, this opportunity should receive your very serious consideration.
