

RIDING EXHIBIT BRINGS THRILLS

Indian Hill Club Event Delights Spectators

The riding exhibition of the Junior members of the Indian Hill Riding club held last Saturday, proves a highly enjoyable occasion from the point of view of spectators and the youthful participants.

A clear and bright day brought out a gallery with some 70 cars flanking the riding enclosure.

An amusing feature was an exhibition of "double" riding and a spill by the two young Daughaday boys, Colton and William, who rode their pony, "Peggy," bareback at the same time over low bar jumps.

The jumping by the Indian Hill Hunt team and in the hunters class by adults was interesting. Major West was the judge.

The results of the competition in riding follows:

Event A—Boys 5 to 8 years — 1st, Donald McPherson, Jr.; 2nd, William Daughaday; 3rd, Bobby Wallace.

Event B—Girls 5 to 8 years — 1st, Shirley Herman; 2nd, Phoebe Massey; 3rd, Judy Butler.

Event D—Boys 9 to 12 years—1st, Edward Scott; 2nd, John Senior, Jr.; 3rd, Wm. Maxwell, III.; 4th, Peter Cable; Honorable mention, Colton Daughaday, Jr., Tommy Husband.

P. T. A. Will Launch Membership Campaign

The Winnetka Parent-Teacher association has organized a campaign to enlist all mothers and fathers of Winnetka school children as members of the association. Next week every parent will receive a letter requesting him to become a member.

The association is badly in need of funds because of the expense of buying some of the furnishings for the teacher's apartments. It is hoped to be able to give the various schools their allotments early in the year.

THE DIFFERENCE!

The difference in the smart looks of some men's furnishings, compared with those other men wear, originates in the workrooms where the furnishings originate. The superior style and lasting quality of haberdashery we sell results from the care we take to see that nothing of the "other sort" ever gets into our stocks.

MEN'S CLASS RESUMES SESSIONS OCTOBER 4

The Sunday Morning Men's class of the Winnetka Congregational church will hold its first meeting of the fall at 9:30 o'clock October 4, in the American Legion room of Community House. Plans for the year will be discussed, the members being asked to express themselves with regard to several prepared courses of discussion and study.

During the last year the attendance of the class increased considerably, and it is expected that the meetings this year will be of even greater interest.

The class is essentially an open forum, taking up questions that are timely and of direct interest to business and professional men.

William Ayer McKinney leads the class, and all male residents of the village are cordially welcome to its deliberations.

Miss Virginia Hobart and Miss Emily Fentress leave this week to enter the Ethel Walker preparatory school at Finsbury, Conn. Miss Fentress will begin her second year there, and Miss Hobart is entering for the first time.
