Golf Luminaries Invited to Play at Indian Hill

SOME of the most outstanding women players in America's golf world are coming to Indian Hill club for the tournament which will open October 5 and continue throughout the week. Invitations have been sent to leading players in Canada and the East, South, and West, and those eligible are golfers with handicaps up to eight, and will be players of the type qualifying for the national golf championship and the woman's western. In fact, the greatest number of invitations have been sent to the field entering the woman's national that commences Monday in St. Louis.

Among the out-of-town players who will come for the Indian Hill match are Glenna Collett, Bernice Wahl of Oshkosh, Frances Hadfield of Milwaukee, Mrs. H. D. Sterrett of Kansas, formerly Missouri Valley state champion, and Miss Harriet Ellison of Duxbury, Mass., all of whom will be the house guests of Miss Dorothy Klotz.

The woman's championship for Indian Hill club has been played off, with Miss Dorothy Klotz winner, and Mrs. George D. Forrest, runner-up. The points prize for the season was won by Mrs. Paul Noyes, and Miss Klotz had the ringer score.

Entre Nous Matinee Club Announces Opening Season

THE Entre Nous Matinee club will hold its first meeting October 7. Members and their guests will assemble at the College inn at 12 o'clock noon, and after luncheon they will attend the matinee performance of "Rain," at the Harris theatre. The hostesses will be Mrs. G. A. Eddy, Mrs. T. L. Grisamore, Mrs. A. W. Sexsmith, Mrs. C. G. Austin, and Mrs. William P. Eisenberg.

This interesting club was organized in October 1921. Its object is sociability and enjoyment of the theater, and it had its inception with a few women who enjoyed a luncheon and matinee once a month. The club appealed to so many, that the little gathering grew until the membership had to be limited to 125. Mrs. Harland Fankboner was responsible for the origin of the club that has become so popular that it is never without a waiting list.

Members of the theatrical profession are entertained at the monthly luncheons. Many interesting features have been planned for the pleasure of the members of the Entre Nous club during the coming season which begins in September and ends in June.

The executive committee is composed of Mrs. Harland Fankboner, formerly of Winnetka, Mrs. David J. McCammon, and Mrs. Frank O. Neubacher of Winnetka, with the following assistants: Mrs. A. J. Cline, Mrs. H. E. Smoot, and Miss Ray Hilliker.

Mrs. William D. Mellvaine and Mrs. Heyliger deWindt are sponsors for Blanche Slocum's recital at the Studenbaker theatre Sunday, October 4. Miss Slocum was one of Mary Garden's early proteges, and her career has been followed with keen interest by many lovers of music.

Mrs. Walter Dodd to Hold Second Citizenship Class

THE club women of Wilmette have united in securing Mrs. Walter E. Dodd, the well known authority on Illinois and its government, to conduct a morning citizenship class. The Woman's club of Wilmette, the Woman's Catholic club of Wilmette, the Wilmette League of Women Voters, the Logan-Howard and the Central Parent-Teacher associations are all sponsoring this class which will begin October 15, to continue for six successive Thursday mornings at 10 o'clock in the Wilmette Woman's club.

Mrs. Dodd is co-author with her husband of "Government in Illinois." This text is used throughout the state in schools and citizenship classes. Mrs. Dodd gave a similar course last year in the Woman's club, and her effective speaking and charming personality made this one of the most popular classes ever held in the village.

This season's series of lectures is new, but will be linked up with the course given last year. The subjects of the talks are as follows: October 15, "On the Floor of the Senate"; October 22, "Superlatives of State Legislation"; October 29, "The Governor's Share in Legislation"; November 5, "Some Inequalities"; November 12, "The Administration of Justice"; November 19, "Looking toward the April Primaries."

The entire course of lectures is given for a nominal sum, and tickets may be secured from the civics committees of the various organizations interested. They will also be on sale at the door on the mornings classes convene.

Wilmette Garden Club Journeys Northward

THURSDAY September 17, members of the Wilmette Garden club attended in a body the third annual flower show given under the auspices of the nature committee of the Woman's Library club of Glencoe. They found many attractive exhibits, one of the most interesting of which was the children's table. The display was of especial interest to members of the Wilmette Garden club who had an exhibit of their own September 4.

Besides the flower show, the visitors wandered through two well known gardens, the much admired dahlia garden that Sigurd Samuelson has cultivated on the Ickes estate, Tower road, Winnetka, and Mrs. E. H. Ravenscroft's garden in Glencoe.

The final luncheon will be served at 1 o'clock, and in the afternoon elections will be held and awards made.

Mrs. Paul Chase, Mrs. Morton Basset, and Mrs. Albert Frost comprised the threesome winning the three club event Monday of this week, and Mrs. W. R. Watson won the approaching and putting contest.

Postpone Golf Matches Because of Bad Weather
