

“What a Relief, Dear—

Kleen-Heet will look after the house!”

Heating worries are a thing of the past in Kleen-Heet homes. No more slavery to a furnace! No coal-shoveling and ash-handling for your wife when you are called away!

Let the whole family leave for a week-end trip. No fear of frozen pipes! No dependence on a careless janitor! Kleen-Heet does as you want, day after day, night after night—with clock-like regularity. Think what that means in comfort, health, and fuel economy.

Proved in Twenty Thousand Homes

For more than five years, Kleen-Heet has been delivering this unflinching, trouble-free service. In all sorts of climates, from Miami to Winnipeg. With all types of heating plants—hot water, steam, vapor, hot air. In schools, hospitals, churches, where the greater uniformity of this new heating method—the freedom from fire danger, the quiet—are especially welcomed. In apartments, bungalows, houses of every size.

Perfect Oil Heat

Kleen-Heet's exclusive method of vaporizing oil in its scientifically constructed fire pot insures instant combustion efficiency. No oil burner without such a fire pot can operate efficiently under automatic control. Kleen-Heet is made with either gas pilot or electric ignition. It is the simplest of all oil burners, instantaneous in action, completely automatic, scientifically correct. Protected by over 100 patents. It burns the cheapest grade of clean oil. Installation involves no change in your heating plant.

Tested and listed as standard by The Underwriters' Laboratories

This seven jewel, eight day, silver finished, Minneapolis, thermostat clock control in your living room, is the only part of your heating plant you need see or touch after Kleen-Heet is installed. Once a week you wind the clock. That's all! Kleen-Heet is really automatic! The thermometer is your check on the accuracy of Kleen-Heet automatic control.
