

Use Everfast Wash Fabrics for School Clothes

HEALTH authorities are urging mothers to dress school children in wash clothes the year around. This, they say, is more healthful and more sanitary. And in winter warm outer clothes will keep out nippy Jack Frost.

Use Everfast Wash Fabrics, and the daintiest clothes are a safe investment. For Everfast is actually fast color—fast to boiling, constant tubbing, strong soaps and washing powders, fast to blazing sunlight, fast to uric acid, perspiration—fast to everything.

Every yard is guaranteed. *If any Everfast Fabric fades, for any reason whatsoever, we will refund not only the cost of the material, but the making-up cost as well.*

School clothes made of Everfast can be washed and washed . . . kept fresh and clean always . . . the colors do not fade.
