DRESS ACCESSORIES!

Well-dressed men realize the importance of the little things which go to make up a man's wardrobe. It's just that dash of color in a cravat, the fine texture of a high grade shirt, the correctness of handkerchiefs, which complete and distinguish the well dressed from the ordinary. Our assortment embraces everything of the newest and best in correct furnishings for men at prices that are opportunely low.

Begin Work on Modern North Shore Station

Work was started this week on the new passenger station of the Chicago North Shore and Milwaukee electric line at Elm street, the permit for which was issued some time ago. The new building will be of brick and will conform to the Winnetka plan scheme in its architecture. It will be much larger than the present station and will be modern in every way. It is hoped to complete it by the first of the year.

Mrs. James Flemming of 596 Maple avenue is in Atlantic City.
