

# There's a KLEEN-HEET Size for Every Size Home!

—And for Every Type of Heating Plant

There are three different types and thirteen sizes of Kleen-Heet Oil burners. That means *real* economy of operation. One special, particular size of oil burner for the very size house *you* live in—for the very type of heater you now have!

No one size of oil burner can heat all sizes of homes. With Kleen-Heet you don't pay for wasted fuel. There's one size just right for your house. Kleen-Heet has it!

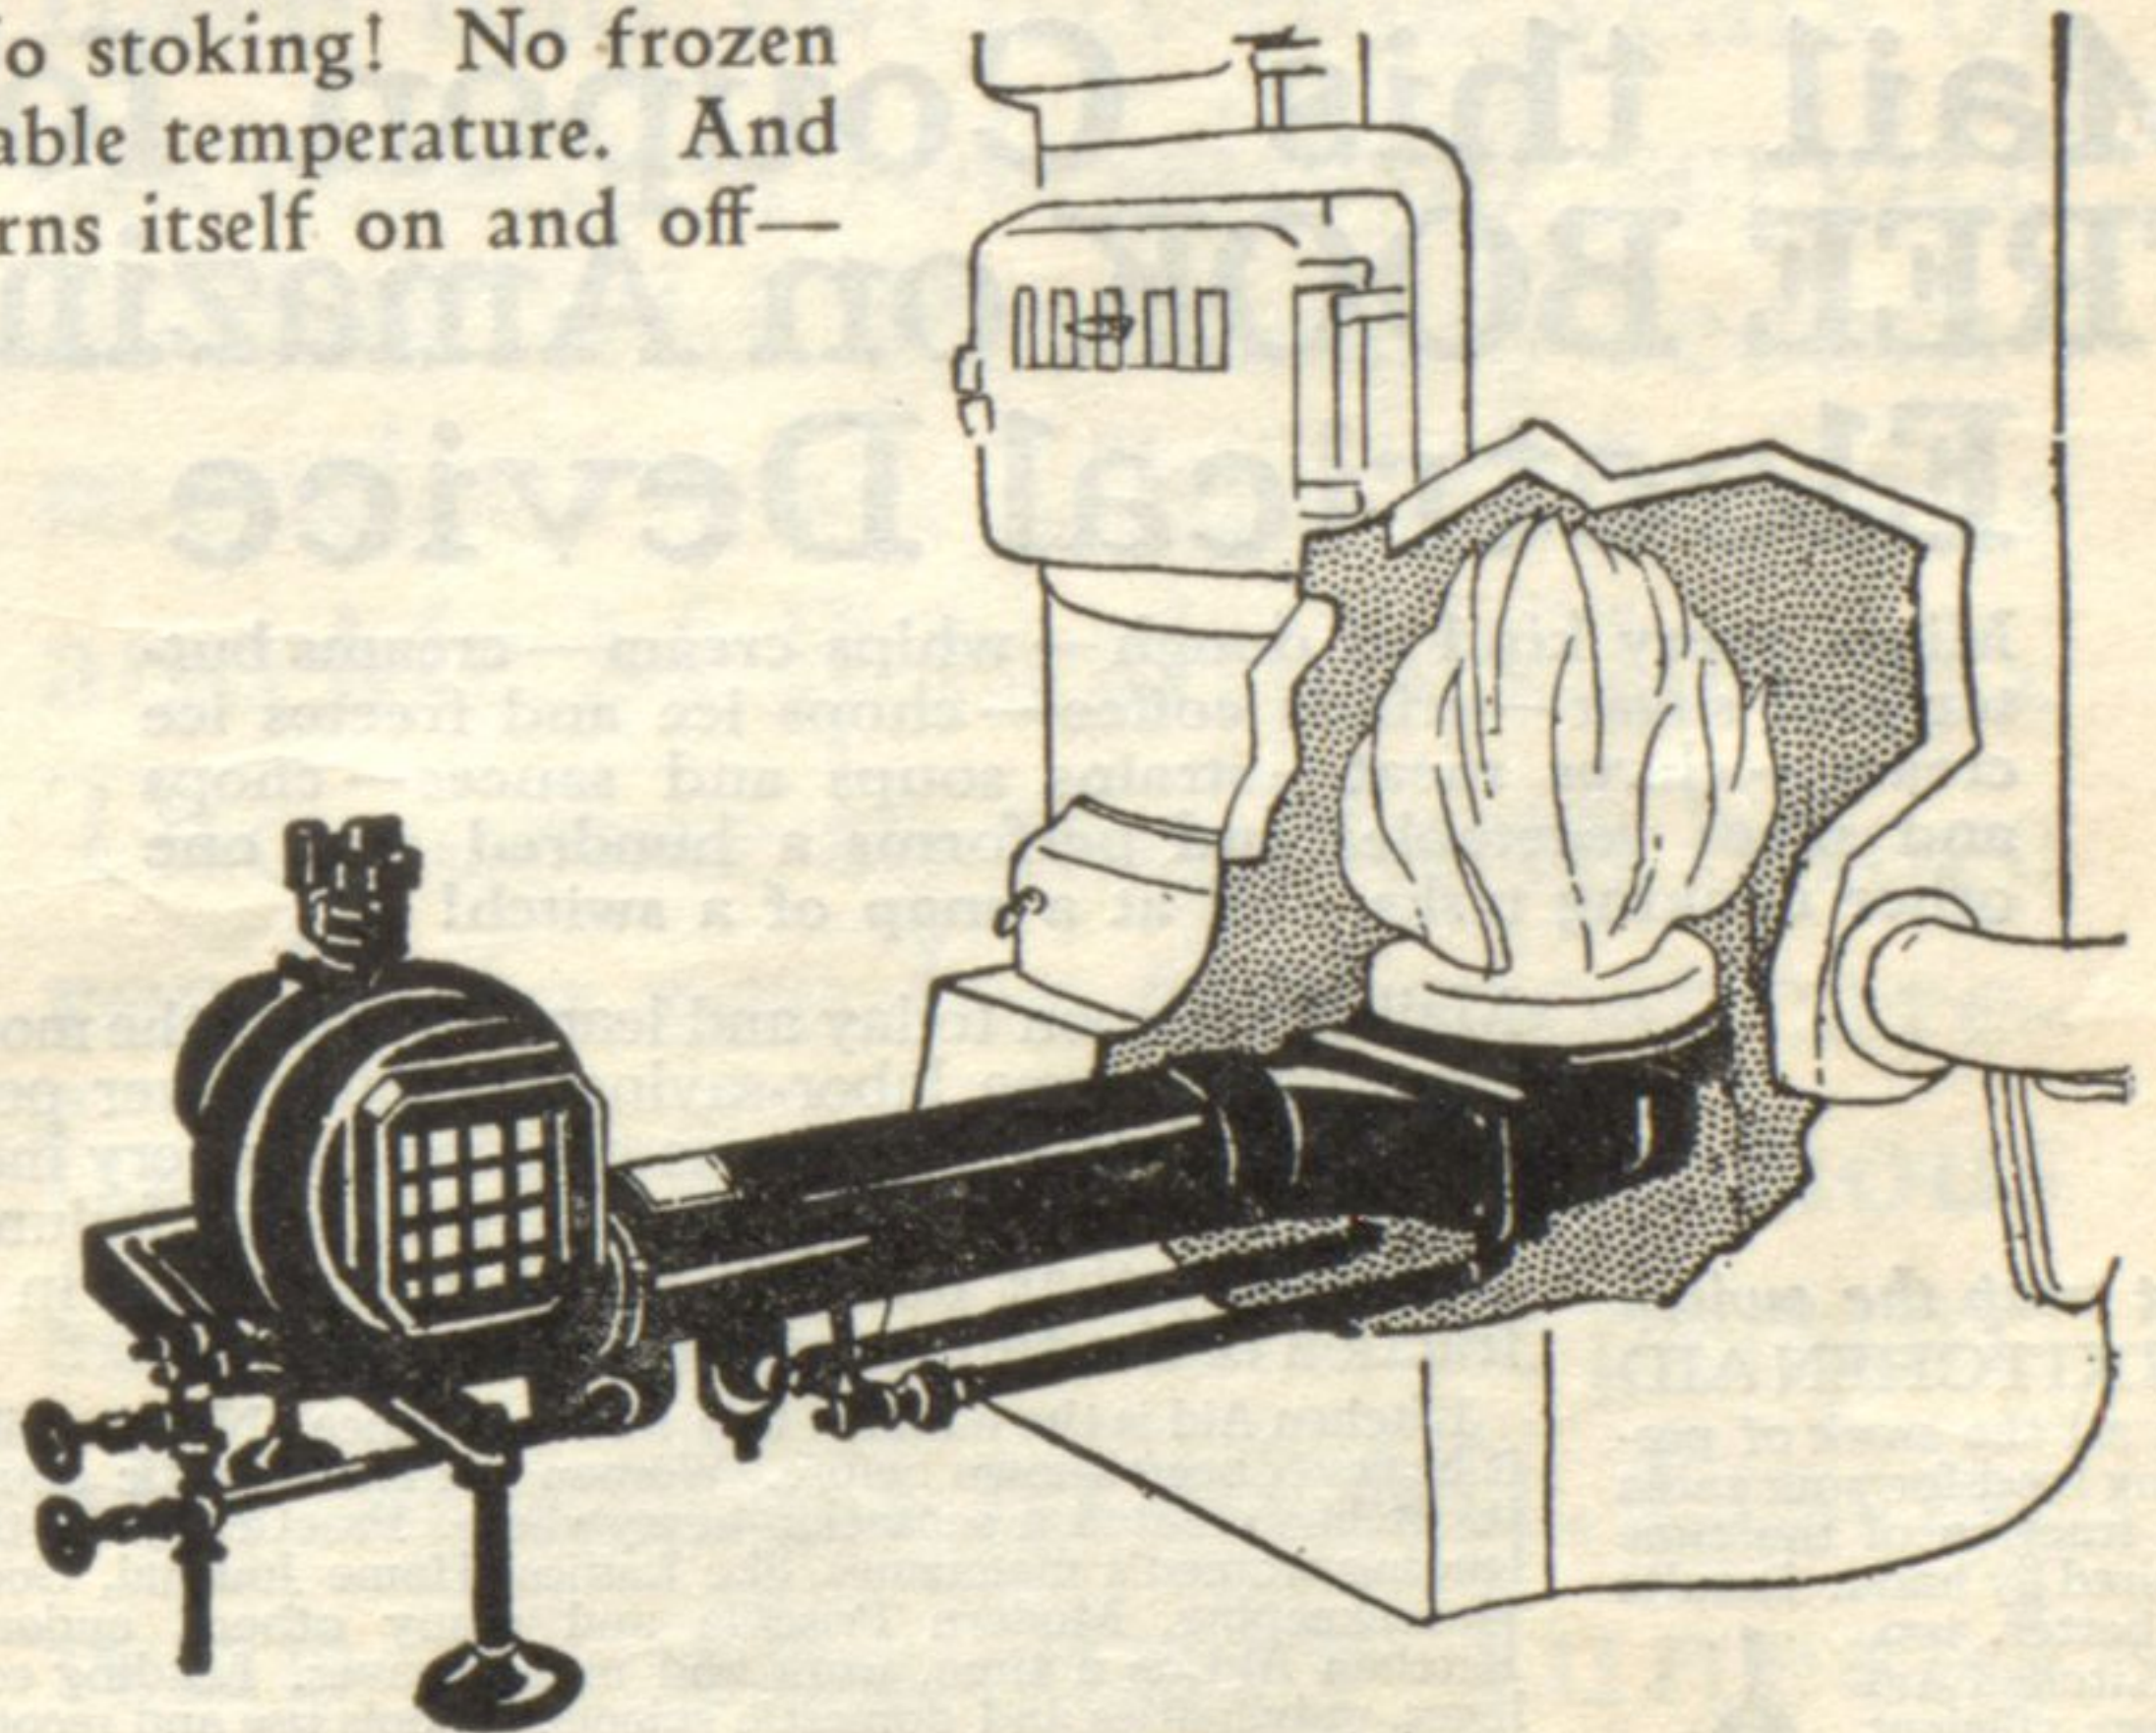

### Kleen-Heet Ends Heating Troubles

In 20,000 homes, in over 5 years of service, Kleen-Heet has proved its worth. Users forget about heat, just as they forget water and light. They just set the thermostat at the temperature wanted. Kleen-Heet keeps it there. No ashes! No stoking! No frozen pipes! Always—mild days or zero weather—the same even, comfortable temperature. And not one thing to do except to set the thermostat. For Kleen-Heet turns itself on and off—automatically!

Kleen-Heet's exclusive method of vaporizing oil in its scientifically constructed fire pot insures instant combustion efficiency. No oil burner without such a fire pot can operate efficiently under automatic control.

Kleen-Heet is protected by over 100 patents. It burns the cheapest grade of *clean* oil. Is made either with gas pilot or electric ignition. Installation involves no change in your heating plant.

Don't you, too, want to save time—fuel—energy—money—health? You can do it with the aid of Kleen-Heet. You can do it NOW! Have all the comfort of Kleen-Heet *this winter*. You don't have to take it on trust. See it work—in someone's home near yours. Hear what users say about it. Phone or mail coupon—now! No obligation.

The only part of your heating plant you need see or touch when you have Kleen-Heet—this thermostat in your living room. Every Kleen-Heet is equipped with a Minneapolis thermostat and thermometer. This thermometer is your check on the accuracy of Kleen-Heet automatic control.

**IN CHICAGO—**

home of the oil burner industry and most competitive market in the world, more Kleen-Heets were installed last year than burners of any two other makes combined.
