

**Friendship Circle
Season of Activity
Begins Next Tuesday**

Friendship Circle, the club for girls working in Winnetka homes, which has become a popular community institution, and has given so many girls a chance for happy times and friendly relationships, will begin its year's work Tuesday evening, October 6. All girls who are interested in getting acquainted, or who may enjoy some gymnasium work are invited to present themselves at Community House Tuesday evening at 8:30 o'clock. Mrs. Arthur Sterrett, the new leader of this group, will be on hand to welcome all who come, and Miss Taylor and Miss Carswell will meet with the girls in the gymnasium.

The old members will be back, and it is hoped that many new ones may be on hand to join this happy group. If any are interested they will need no other invitation, it is explained. It is hoped by the Community House officials that the housewives of Winnetka will keep this in mind for any girls whom they employ.

Mrs. J. V. Stixrud, 607 Willow street, is departing the latter part of next week to spend six weeks with her daughter, Mrs. Erskine McLeod, Jr., at her home in Hollywood, Cal.
