

Autumn
Wedding Invitations
and Announcements

The reputation of our Stationery and Engraving Department forms an important link in the choosing of Wedding Invitations or Announcements.

The Autumn Bride may come here assured of authoritative accuracy with re-

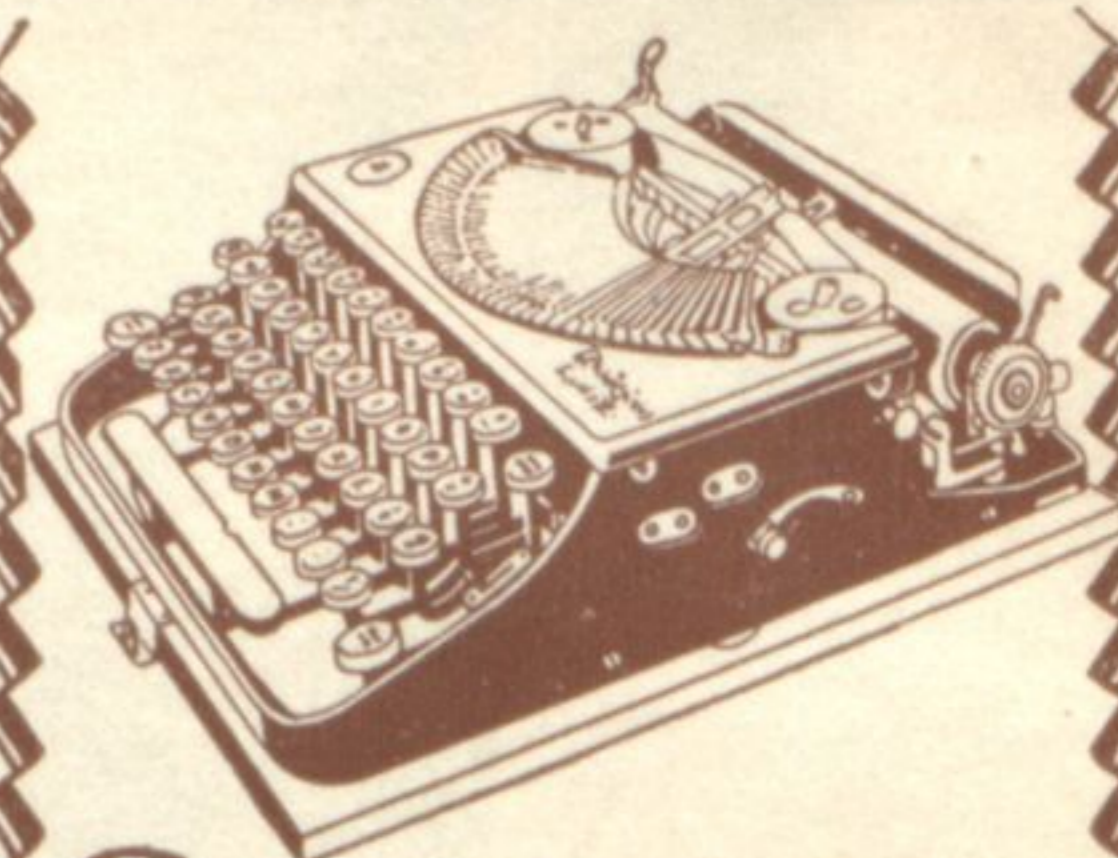

gard to taste and propriety in social correctness and usage.

The new addition to the Engraving Department and the helpful suggestions and service rendered by our courteous staff add immeasurably to the pleasure of shopping here.

Our collection of Xmas Cards is particularly beautiful. We advise an early selection.
