

Dawes Helps Film "Pony Express" on Tour Through West

Vice-President Charles G. Dawes extended the range of his versatility recently when he assumed the role of motion picture director, and directed the filming of one of the important scenes for "The Pony Express," on the mammoth location set near Cheyenne, Wyoming.

Aided by an occasional word from James Cruze, noted Paramount producer, and Betty Compson, who has the featured feminine role in this epic production, the General appeared to enjoy the experience, shouting "Camera!" like a veteran.

General Dawes and his party, which included Mrs. Dawes, were the guests on the Cruze location of Senator and Mrs. Francis E. Warren of Wyoming. They inspected the huge set which was an exact replica of Julesburg, Colo., in the early '60's, and took a lively interest in the picturesque garb of the Sioux Indians and the tight-bodied actresses who were clad in the voluminous flounced skirts that were popular in the West two-thirds of a century ago.

"This is the most interesting thing I have seen on my trip West," Mr. Dawes told Cruze. "As a young man I spent much time in a Western Nebraska, when the Wild West was still wild. These sod houses you are using in your picture are more familiar to me than my own home on the north shore."

Woman's Club to Hear Mrs. Edwin D. Pomeroy

For a number of years, the Winnetka Woman's club has been intensely interested in the Vocational Supervisor League of Chicago. Its president, Mrs. Edwin D. Pomeroy, will come to the club Tuesday, October 19, to tell its members just what the league is doing for young men and women, and particularly to give accounts of those who have had training through the courtesy of the Winnetka club. Members are asked to present their membership cards.

New License Ordinance Sets Variety of Fees

A new license ordinance was introduced at the meeting of the Village council held last Tuesday evening. It provides for the following scale of fees: restaurants, \$10 a year; public garages, \$25 a year; billiards, pool and bowling, \$50 a year for each table or alley; cigars, \$100 a year; real estate offices, \$25 a year; junk dealers, \$50 a year. This scale of fees is based on that employed in similar ordinances in other villages on the north shore.

ELECTRICAL SERVICE

If you are from Missouri and want to be shown, just drop in, and we will be pleased to show you anything you wish to see in the Electrical line at prices that you will find hard to duplicate.

—Mr. Electro-serve.

Do you need Fixtures?
How about that Wiring job?
How is your Radio working?
What do you need in the way of Electrical Appliances?
Why not get in touch with us and let us figure with you? It may be to our mutual advantage.
