

GRADE BOYS' CONDUCT

New Trier High School Institutes Demerit System in Various Adviser Rooms

To promote a lofty standard of conduct, punctuality, scholarship and general efficiency among the boys of New Trier High school, a system of demerits will be instituted in the boys' adviser rooms in the near future, it was announced this week.

The offenses for which demerits will be given are as follows:

Tardiness to class—1 demerit.
Scholarship complaint—1 demerit.
Inadequate absence—1 demerit each period missed.

Failure to return signed cards or permits—1 demerit each period after 48 hours.

Failure to bring note from home when due—1 demerit.

Tardiness to school—2 demerits.
Discipline complaint—1 to 3 demerits.

Discipline complaint referred to Dean—5 to 10 demerits.

Leaving school without signing out.

Provides Accurate Record

When a pupil has accumulated 10 demerits he is referred to the adviser chairman. This is said to be one of the advantages of the new system in that it establishes a firm basis upon which to determine when to bring the pupil to the attention of higher authorities.

The system is to be conducted in the form of a contest among the boys' adviser rooms of the various classes. The room having the lowest percentage of demerits will be ranked the highest of its class.

Gotham Variety Stage Gets Morse Orchestra

Ted Morse's orchestra will be missed by the young people of the Village this winter as the orchestra is at present playing vaudeville under the direct supervision of the well known Tom Brown of the Six Brown Brothers. The orchestra and Tom Brown have been in vaudeville for several months, traveling through the larger cities of the Middle West, and are at present located in New York City.

Winnetka is well represented in Tom Brown's latest orchestra as Ernest Bartz, Jack Carpenter and the genial Ted Morse are doing their bit to help put over the show. The orchestra had many followers in Winnetka who will miss them this winter but who will wish them well in their latest venture.
