

Jenny Min

674 HILL ROAD
WINNETKA

Two-piece afternoon dresses, suitable for the matinée, or luncheon in town, in Madonna blue, tobacco brown, red, and Russian green. These dresses are copies of Chenel models, with striped silk blouses, and flat crêpe skirts, either pleated or circular.

Cloth coats, in new English materials, beautifully tailored, either lined in fur, or with fur trimming, for the foot-ball season. They are copies of "JENNY" models, and are quite different from the usual clumsy-looking winter coats, one sees everywhere.

A new collection of evening gowns, models from Premet, Lanvin, Molyneux and Vionnet, chiffon, satin, and metal cloth, for the matro as well as the jeune fille. Dresses for Palm Beach, and the winter resorts, arriving daily, in fascinating colors, styles, and materials.

CHRISTMAS PRESENTS FOR MEN

Sheer linen handkerchiefs, from France.

English neckties, in all the regimental colors.

Silver-plated cigarette lighters, from England (the kind that always light).

A Big "B" for Big Sets

THE French Battery Laboratories were first to offer an extra capacity, oversized "B" Battery for multiple tube sets where current demand is heavy.

Master Ray-O-Vac Batteries Nos. 9151 and 9303 have now become standard equipment on thousands of receiving sets.

The extra large size cells used in these batteries have double the energy of any other battery, resulting in longer life and better reception
