Our Boy Scouts

Friday, October 16, the Boy Scouts of Winnetka held their second meeting in which all scouts were present. The first part of the meeting was held in the Assembly room in Community House where all three troops met. "Chief" Davies rapidly outlined the plans for the evening, then the different troops went to other rooms. Here the scoutmaster of each troop gave a talk on the plans for the coming year.

At 8:20 o'clock the troops again met in the Assembly room where Dr. George Eisenbrand led them in an O'Grady drill down. Bob Reschke won it after a hard fight with Jimmy Fleming.

The First Class Scouts then had a meeting to take up advance Scout work. It was decided that the next meeting would be devoted to signaling practice. They were then dismissed.

A meeting of the Second Class Scouts was held to determine what points should be given for different branches of Scout work, such as, hiking, camping, sleeping out-of-doors, and so forth.

Next week a list of Scouts enrolled in the three troops and also the point system will be published.

Among the Winnetka women attending the delightful musicale given by the Southern Women's club at the Woman's City club Thursday afternoon, were Mrs. George Karnes, Mrs. Henry J. Cary-Curr, Mrs. Edgar Foster and Mrs. William Eckholls.

Mrs. Warren W. Shoemaker opened her home Friday of last week for a tea for the teachers and the room chairmen of the Hubbard Woods school.

Church Announces New Tuesday Lecture Series

The announcement of a new series of Tuesday morning lectures to be given by the Rev. James Austin Richards of the Winnetka Congregational church will, it is felt, be received with pleasant anticipation by many Winnetkans. For several years these courses have been enjoyed not only by members of the church but by people from many different groups in the village.

Mr. Richards has a happy faculty for presenting religious truths in a way to interest and inspire either church members or others, those who have heard him assert.

The subject of the present series of lectures is "The Message of the Prophet Jeremiah to Twentieth Century Life." It will bring to light many surprising analogies between those times and our own, it is explained. Anyone in the village is most welcome, it is announced, and there is no charge for the lecture which will be given at 10 o'clock on Tuesday mornings, beginning November 3, in the Neighborhood room of the Community House.

Mrs. William Noble and her son, George, 1010 Oak street, have returned from a two weeks' vacation spent with relatives and friends in southern Iowa.

Mrs. Robert Hotz, formerly Elizabeth Prindeville of Winnetka, is a member of the Lake Forest hockey team which played the Evanston team Friday.
