

### Pine and Ridge Circles Find Plans Are Changed

A change in day has been made in the next meeting of the Pine Street circle to avoid conflict with the musicale at the Woman's club Tuesday. The circle will meet with Mrs. Sam Fleager of 952 Pine street, Wednesday October 28. Mrs. Lloyd Faxon will read promptly at 2:30 o'clock, and Mrs. John Marshall will sing a group of songs. Mrs. Howard Shaw will be the assistant hostess.

Owing to the sudden and serious illness of the chairman of the Ridge Avenue circle, Mrs. Fred Haviland, the activities of that group have been irregular. However, arrangements have been made to carry on the programs, and further notice of meeting will be sent out. Mrs. Haviland has returned from the hospital, and is gradually getting better, but it will be several weeks before she has entirely recovered.

Mrs. Carleton Prouty, 693 Willow road, entertained 12 of her friends at luncheon and bridge Wednesday.

Mrs. Harry Barnum of 735 Walden road is visiting Mrs. George Halbert in Minneapolis.

Dr. and Mrs. E. J. Trowbridge of 1111 Oak street, spent last week-end visiting friends in Saugatuck, Mich.

### Garden Club Members Get Novel Information

Mrs. Hubbard has returned from Paris where she viewed the Modern Garden exposition which was attended by the noted landscape architects of the country, and brought with her information of something new in gardens.

The Entre Nous Matinee club will give its monthly luncheon Wednesday, October 28, in the private room of the Piccadilly tea room, Fine Arts building, Chicago, at 1 o'clock. Later the members will go to the Studebaker theatre where Arthur Hopkins is presenting "What Price Glory?"

Mr. and Mrs. Lawrence Wilcox Paine of Edgewater have purchased the Charles L. Weeks residence at 867 Lincoln avenue and moved into their new home the first of this month. Mr. and Mrs. Weeks are stopping temporarily at the Orrington hotel.

## IF YOU'LL LEAVE IT TO YOUR WIFE

She will decide in favor of the Humidiator, for it's like adding a piece of fine furniture. That's the appearance the Humidiator gives to a room. But it does even more, it hides from view that common eyesore of every home; the bare ugly radiator. In its place is not only an ornament to your home, but a convenient seat or shelf usable the year around. And when winter comes you will have a health assurance in the soft, moist air provided by the Humidiator.

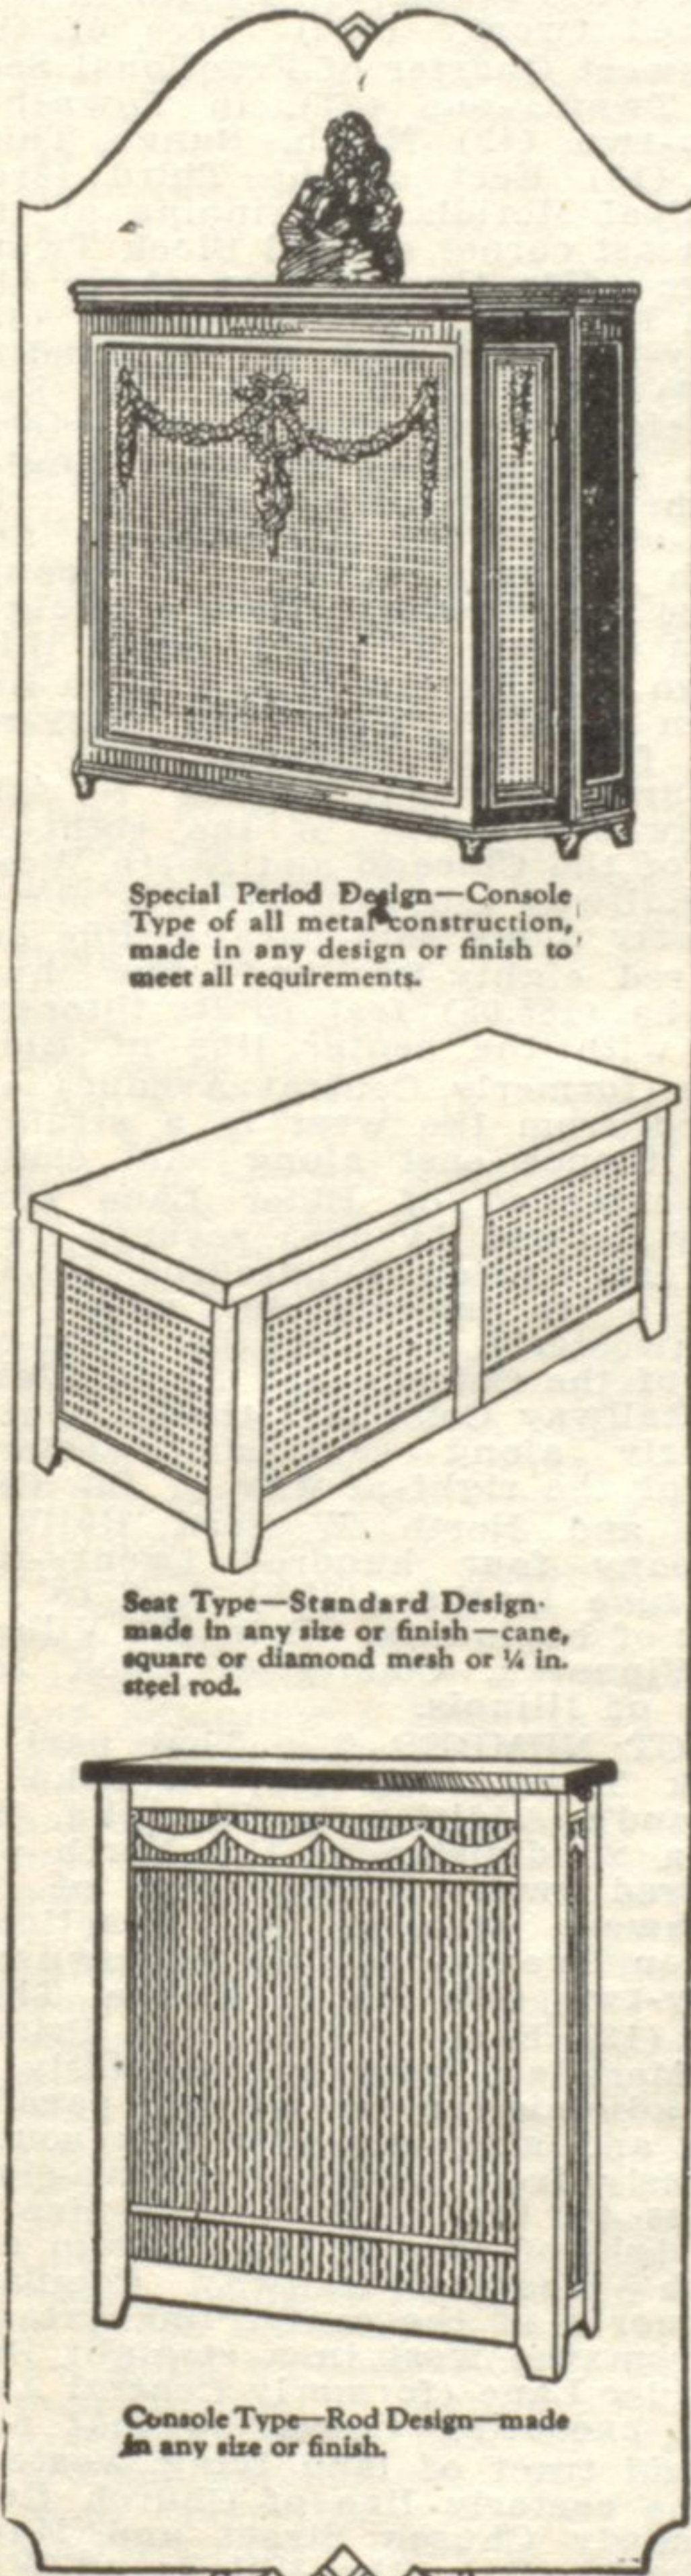

The Humidiator is an attractive art metal radiator shield with humidifying top easily filled from the end, made in several styles and finishes.

## You Women With Nice Things —Here's a Word of Wisdom

Avoid cheap soaps; the penny you save at the bargain counter may ruin costly clothes in your laundry.

American Family may cost a trifle more, but it lengthens the life and beauty of whatever it washes. It has been doing it for 83 years.

That's natural — there's no purer soap. The yellow color tells you that—for yellow is the natural color of pure, mild soap.
