The LATCH STRING'S OUT

—Come and see us!

Next week, October 26 to 31, a huge "Laundry Party" will be given. Not just in one laundry, but in every modern laundry in the country. It will be a different kind of party, an unique party, and it's all in your honor!

You see, the laundries have been performing for some 2,000,000 of you, one of the most important, one of the most personal of services. They want you to come and see how it is done. To see clothes washed fragrantly clean in tumbling billows of crystal suds; to see them rinsed in change after change of rainsoft water; to see the water squeezed out in magic spinning baskets; to see—but you never dreamed there were so many interesting things to see in a laundry. In the last few years, there have been improvements in laundry service undreamed of twenty years ago.

But perhaps you are not one of the "two million." Come anyway. Your visit will tell you why so many women "send it to the laundry"—you'll realize then why the laundry can save so much time and work, yet charge so little for its service.

Remember: October 26 to October 31—these are the dates of the "Laundry Party." Come any time on any of these days—there will be "open house" all week long. The latch string's out—a most cordial welcome awaits you in every modern laundry in America.
