

# WINNETKA TALK

## *Girlhoods' Happy Hours*

"We will make her motto, 'Wo-he-lo,' which means work, health and love," is the promise of Winnetka Camp Fire Girls to any girl in the Village who joins their ranks at Community House. Camp Fire Girls work together, play together, think together, are always happy together. Here we find three of them contemplating the mysteries of the log fire. That fireplace, by the way, is one of the unique features of the Camp Fire room at Community House. Is your daughter in Camp Fire?
