

Display Model Electric Home at Highland Park

A modern home in which electricity will do practically all of the household work will be opened Saturday, October 31, at 2 o'clock, at 1502 Green Bay road, Highland Park, by the North Shore Electric league. An invitation is extended the general public to visit this electric home during the exhibition, which will continue for approximately two weeks.

The rich beauty of old Spanish architecture combined with ultra modernness of the Twentieth century are strikingly apparent in the Highland Park Electric home. The courtyard with its sparkling fountain, the long flight of stairs from the plaza leading up to the living room, the antique wrought ironwork about the windows, the nicely terraced lawn in which a built-in garage is concealed from the street—all are pleasing in their novelty and are direct deviations from the common place, it is explained.

The novelty of the home is not confined altogether to the outside, the league asserts. Within, one is instantly delighted with the skillful way old Spanish architecture, with its suggestion of the Moorish, is combined with the present-day electrical age. Lamps galore add touches of live color to the stucco walls. Perfect illumination with its soft eye-pleasig rays, enhances the rich interior and brings out the splendor of beautiful tapestries. Then too myriad of electrical appliances appeal to the women-folk who know what a task it is to run a home.

Does a "Red Grange" to Beat Howard School

Boys of the Kenilworth Community middleweight football team defeated the middleweight team of the Howard school of Wilmette by a score of 7-0 on the home field of the Wilmette team Tuesday afternoon of this week. This is the second recent victory over the Howard teams, as the Kenilworth heavies trimmed the Howard heavies 39-0 on the preceding Friday afternoon. In the game Tuesday, "Tillie" Nelson of the Kenilworth squad pulled a "Red Grange" by running the length of the field for a touchdown. Saturday morning, October 31, the Kenilworth heavies will play the Boltwood heavies at the Howard school field in Wilmette. All these teams are members of the North Shore Grammar School league.

Mrs. Anna Dunlap of Indianapolis spent last week-end at the home of her son, Charles Dunlap, of 706 Center street.

Mrs. Edward P. Bailey and her son, of Winnetka, are now living at the Belmont hotel in Chicago.
