

MOOSE LODGE BEGINS MEMBERSHIP CAMPAIGN

Greater Chicago Unit Recruits North Shore Class in Honor of Dictator

Greater Chicago lodge No. 3, Loyal Order of Moose, is putting on an active membership drive on the north shore and B. F. Provol, supervisor, is in the field for the purpose of recruiting a class in honor of Dr. William E. Buehler, the newly elected dictator of Greater Chicago lodge. Dr. Buehler is well known in the north shore district and candidates for this class are being recruited all over Cook county.

The Loyal Order of Moose maintain and operate Mooseheart, located 37 miles west of Chicago, where there are over 1,400 orphan boys and girls who are being given a high school education and trade. Mooseheart is the home for the widows and orphans of the Moose.

The order also maintains Moosehaven, 17 miles west of Jacksonville, a home for the aged members and their widows on the cottage plan. Moosehaven is called a "city of opportunity" for the old folks for there they are given a chance in life and placed on a salary, making them independent. There is no charity aspect about the institution. The Loyal Order of Moose maintain an extension service plan, whereby the disabled member is pensioned, his family cared for and his children educated.

Greater Chicago lodge maintains a social service department, caring for the sick, it is explained. The order, it is pointed out, is non-sectarian and non-political.

Request has been made by citizens of Winnetka and Supervisor Provol,

announces he is now recruiting a class of more than 100 of Winnetka's citizens who will become part of the Dr. William E. Buehler class in honor of the dictator of Greater Chicago lodge. The Hon. James J. Davis, secretary of Labor, is the founder of Mooseheart and director general of the order.
