

ANNOUNCE CHANGE IN DATES OF CONCERTS

Next Appearance of Symphony Players of Chicago Will Be Tuesday, November 24

Changes in the dates of the concerts given by the Symphony Players of Chicago will defer the concert originally scheduled for November 16 to Tuesday, November 24, it was announced this week by officials of the New Trier Orchestral association, which is sponsoring the concerts.

The reasons for the change of dates are set forth in the accompanying letter directed to members of the association by Homer F. Horton, president. The letter also embodies an appeal for continued close co-operation between the members of the association and those who have been charged with the duty of supervising the concerts.

Mr. Horton's letter also announces the appearance with the orchestra, on November 24, of Miss Catherine Wade Smith, violinist, winner of the national competition of the Federation of Music clubs.

The letter reads:

Explains Change of Dates

"It has been found necessary to change the dates of most of the concerts. Will you please mark the new dates on your tickets as it will not be possible to send a separate notice before each concert.

"New dates: Tuesday, November 24, Monday, December 14, (original date) Tuesday, January 12, Tuesday, February 9, Tuesday, March 23, Tuesday, April 6.

"Most of you know that we do not have the first call on the services of the musicians who have been playing for us. It has been necessary to agree to a certain latitude of dates if we were to have concerts at all. The original evenings were chosen with great care but complications have developed that make these changes unavoidable. We have assurance, however, that the new dates can be counted on.

"As subscribers to season tickets, you

are members of the Orchestral association. Your directors hope that you feel yourselves to be real partners in this enterprise of bringing symphonic music to our doors. They hope and believe that your sense of partnership is strong enough to support whatever may be necessary to make these concerts a permanent part of our community life. The officers are eager, always, to have your ideas and suggestions.

Plea For Co-operation

"It seems to Mr. Dasch and to the directors that it will be a fine thing for us to present, as soloists, some of the young artists of undoubted talent who merit recognition. On November 24, therefore, we are presenting Miss Catherine Wade Smith, violinist, who won the national competition of the Federation of Music clubs. The program will open with the gay overture to "The Merry Wives of Windsor," and close with the stirring "Marche Hongroise," with some rich things in between. Don't forget to mark the new dates."

Friends of Berea School to Attend Art Displays

Many north shore residents are actively interested in the exhibit of fire-side industries provided by Berea college, Kentucky at the Blackstone, Chicago, Monday, Tuesday and Wednesday, November 16, 17 and 18.

Berea college through its department of Fireside Industries was the pioneer in reviving and fostering the Colonial Home Arts in the Southern Mountains.

Friends of Berea in New York, Boston, and Chicago have for many years arranged exhibits of the products of this industrial department, having as one of their objects the spreading of information concerning the work of the school in its entirety. Three thousand young Americans of the mountains, boys and girls, here receive the education especially adapted to their needs.

Any one in Winnetka can earn part of \$5,000 cash prizes offered by Chicago Sunday Herald and Examiner in the editions now on sale at all newsstands.

CHEVROLET AUTOMOBILES
