Albert Pick and company, leading restaurant supply house in Chicago, has brought its survey engineers to the scene of the new eating house and prospective patrons are assured that every detail incident to a completely equipped cafeteria will have been carefully worked out before formal

Mr. Miller, whose Lake Shore Terrace has been a land mark at Chestnut avenue and Sheridan road, for eight years, has been engaged in the restaurant and hotel business locally and abroad since boyhood, having started his apprenticeship in Europe. Just prior to locating his business in Wilmette he was manager of the famous Edelweiss restaurant on Madison street, Chicago, one of the best known eating places in the country. His long experience has given him a thorough knowledge of the needs and fancies of the most discriminating patrons.

Host to President Harding

Among numerous distinguished guests who have enjoyed the hospitality and excellent food at the Lake Shore Terrace was the late President Harding, who partook of luncheon at the terrace while in this vicinity during his presidential campaign.

Mrs. Elmer E. Adams of 873 Oak street spent last week visiting her three brothers and her sister who live in Champaign, Springfield, and Bloomington.

DODGE BROTHERS SPECIAL TYPE-A SEDAN

If Dodge Brothers had deliberately built the Special Type-A Sedan for women, they could not more perfectly have met feminine requirements.

That women recognize this fact is plentifully evidenced on every hand. The car's striking beauty, its ease of handling and world-famous dependability are features which every motorist values—but which women value *the most*.
