

**Next Wilmette Club Program Promises Varied Interest**

The November book reviews offered by the art and literature department of the Woman's club of Wilmette will provide a morning program for the regular club meeting Wednesday, November 18, at 11 o'clock.

Mrs. Edward L. Scheidenhelm will be in charge. The books under discussion are "My Brother's Face" by Mukerji, and "Blind Raftery" by Donn Byrne. Miss Annie Beach will review the former and Mrs. William A. Richardson will read from Byrne's poetry, adding much to the charming story she is to present.

What is anticipated as one of the most pleasant afternoons of the current season, on the leaves of the club calendar, is the program arranged for the Woman's club of Wilmette for the afternoon of Wednesday, November 18, when Henry Riggs Rathbone of Kenilworth will give a talk on "Life in Washington."

Mr. Rathbone, who enters upon his second term as congressman-at-large, was born in Washington, where his father and mother were close friends of Mr. and Mrs. Abraham Lincoln. His father was in the box at the theater when the president was assassinated, and was severely wounded himself. Mr. Rathbone tells of the life there in a vivid manner.

Mrs. Rathbone, talented both as a musician and poet, will introduce the afternoon's program with either a song or a reading of some of her original poetry.

**First Lecture by Tina Mae Haines November 16**

A change has been made in the original plans for the lectures by Miss Tina Mae Haines on the programs to be given this winter at New Trier High school by the Symphony Players of Chicago, owing to a change in the concert day. The first lecture, however, will occur as originally announced, Monday afternoon, November 16, at the Wilmette Woman's club, at 1:30 o'clock. The ensuing talks will take place on the days of the concerts, to be announced later.

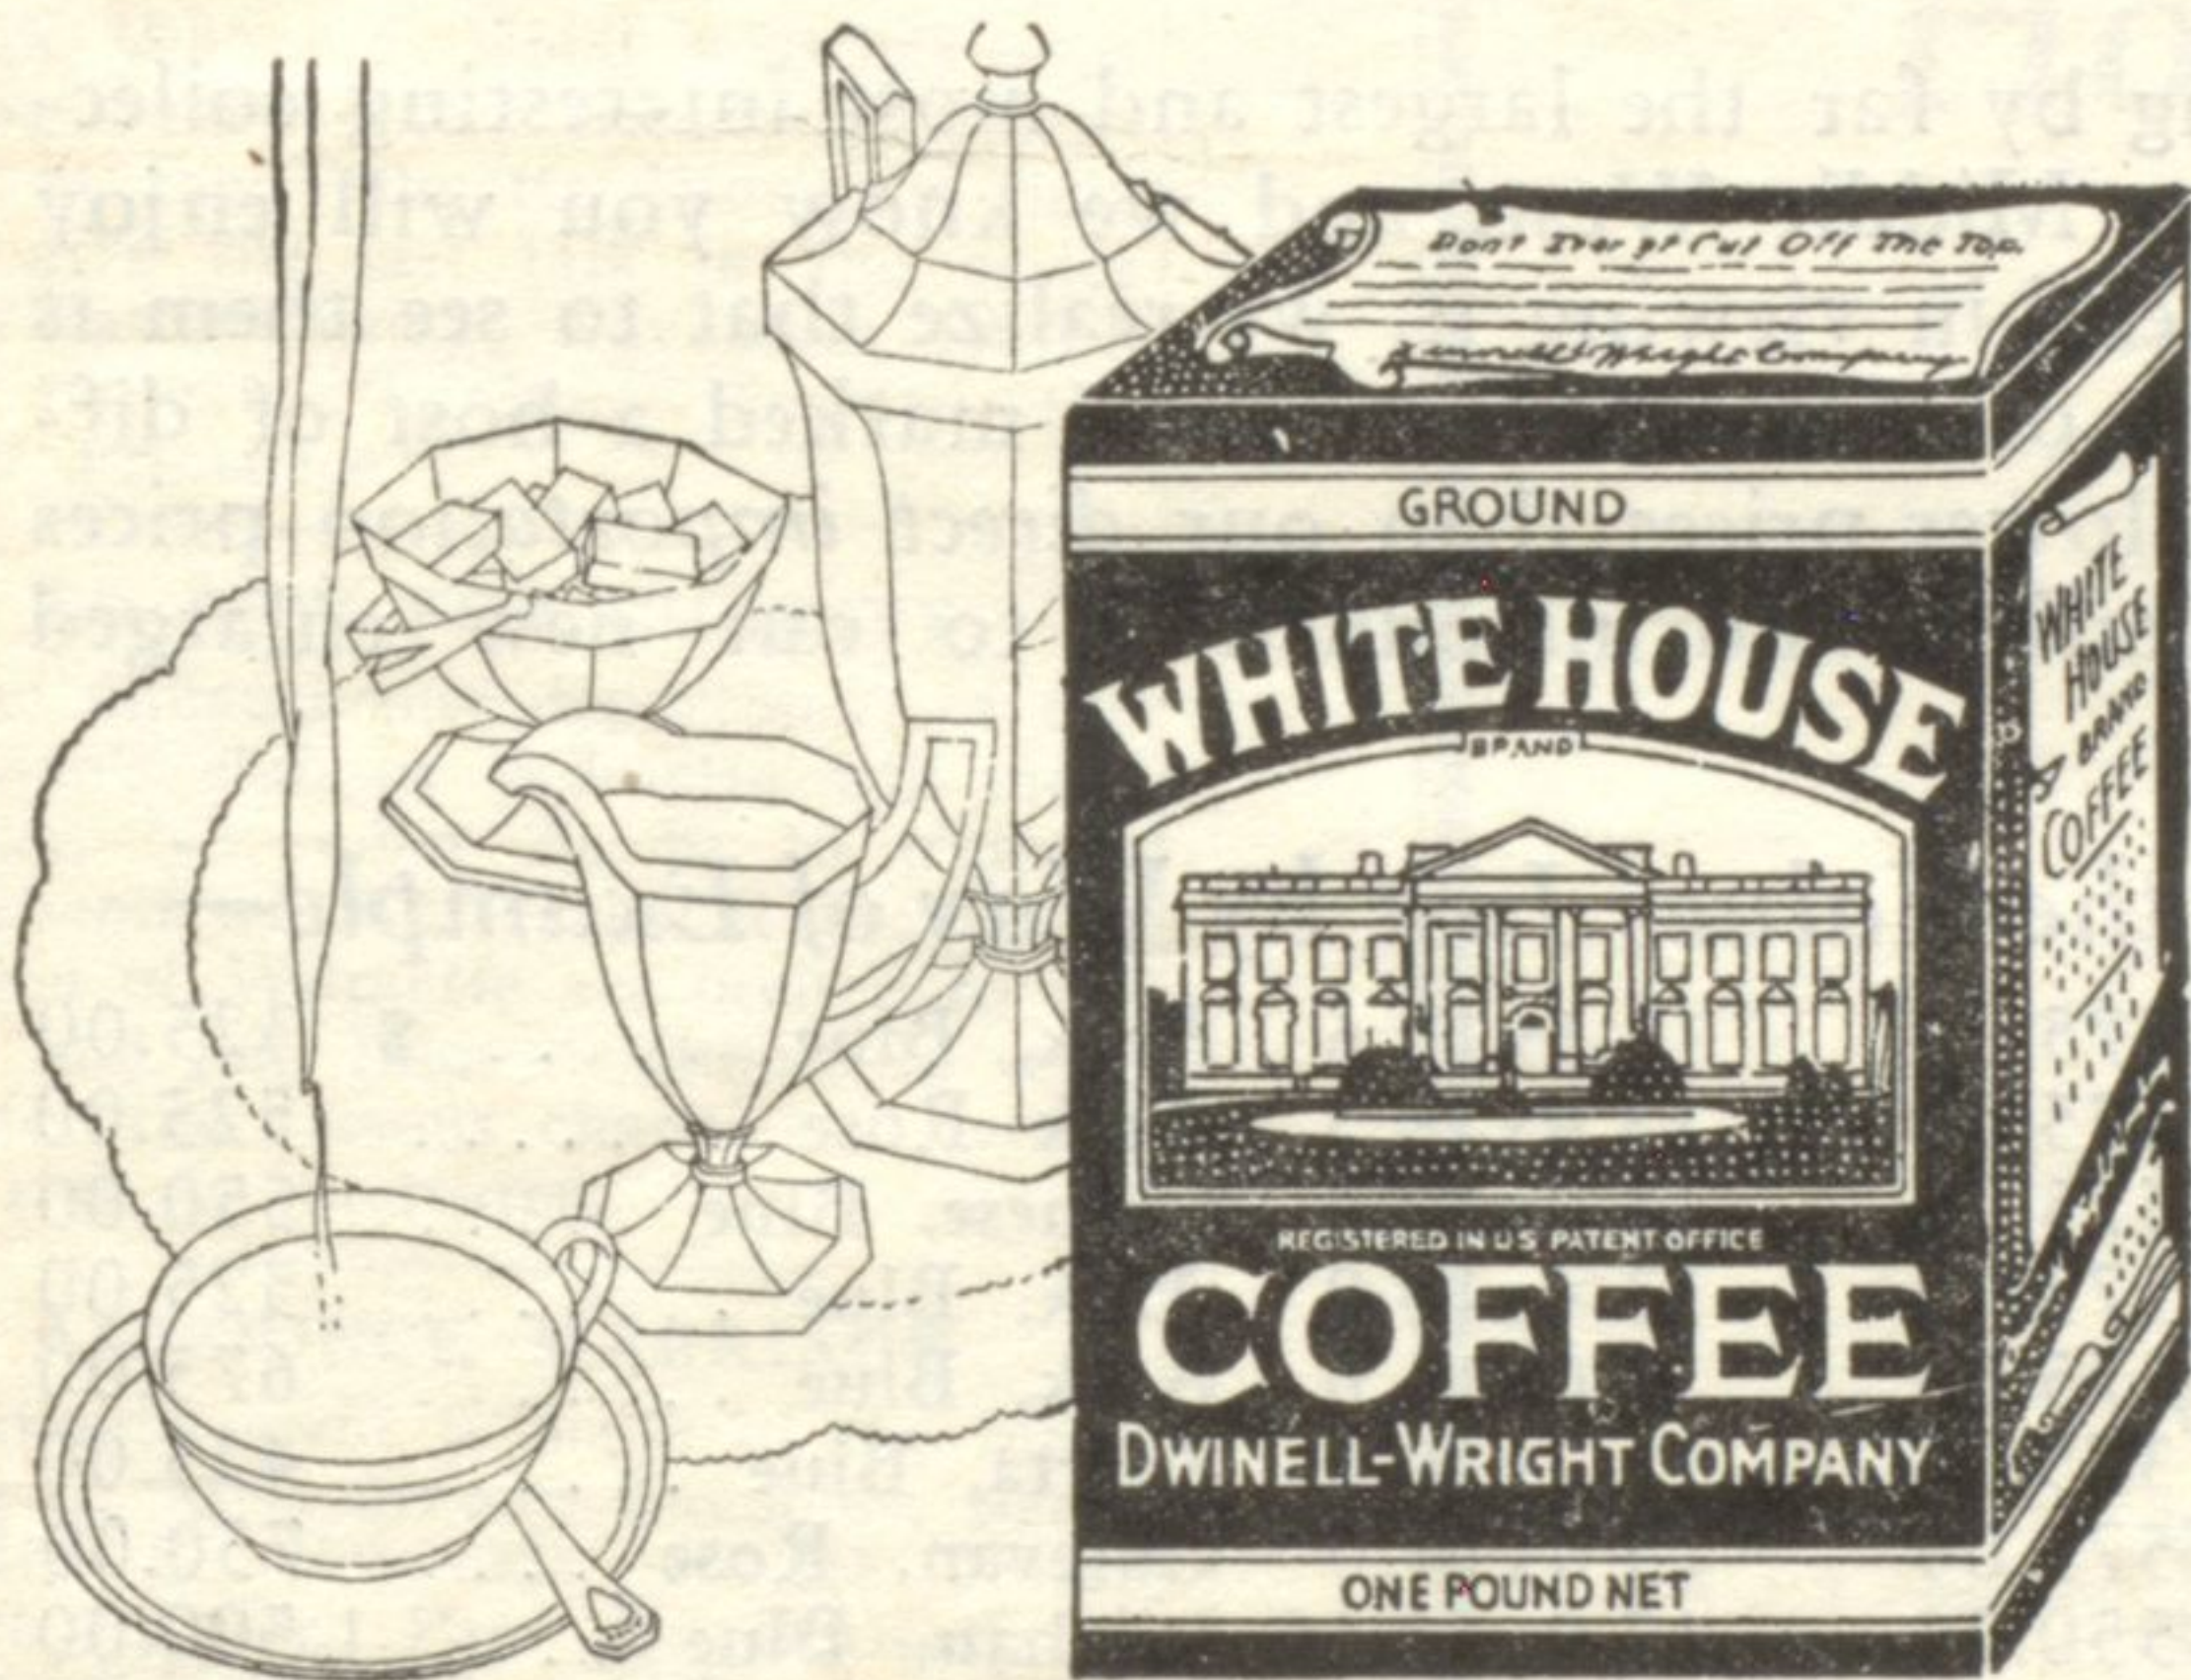

Tickets for the course, which is open to women of the north shore, may be obtained from Mrs. B. F. Lewis, Mrs. W. F. English, Jr., Mrs. G. R. Stewart, Mrs. Fred O. Ebeling, and Mrs. R. A. Wheelock, all of Wilmette.

**Kenilworth Neighbors to Hear Lecture by Newcomb**

The Neighbors, the woman's club of Kenilworth, will have its next meeting Thursday, November 19. Mrs. Charles H. Bent, chairman of the department of education, will be in charge of the program which will consist of a lecture by Charles Milton Newcomb of Cleveland, Ohio, on "The Religious Education of the Child."

The board of directors of the Neighbors met with Mrs. John Howard Jones who entertained them at luncheon last Tuesday in her new apartment in Evanston.

Mr. and Mrs. Richard Norris Taylor, Sheritt's cottage, Oxford road, Kenilworth, are being congratulated upon the birth of a daughter, Harriet, November 9, at the Evanston hospital.

Smart—and oh, so warm—to wear to the football games and to the "frat" house teas after the victory. Smart people are wearing velveteen or soft fabric coats, like the one sketched, with rich platinum wolf collar and deep gauntlet cuffs.
