

Horace Bridges Gives Talks on Modern Drama

Under the auspices of the Drama league, Horace Bridges is giving a series of talks on various plays, and this course is announced because of its undoubted appeal to many residents of the north shore.

Thursday of this week, he spoke at the home of Mrs. Howard L. Willet of Chicago on the plays of O'Neil. Next Thursday, November 19, his subject will be "The Early and Late Plays of Shaw," and his lecture will be given at the home of Mrs. Hamilton McCormick, 631 Rush street. Thursday, December 3, he will talk at the Opera club, 18 West Walton place, on "Recent Plays of Galsworthy."

This course of lectures by Mr. Bridges is open to the public, and the price of admission is nominal.

Annual Meeting of Arden Shore Is Open to Public

To enable as many interested friends and patrons as possible to hear the annual reports of Arden Shore activities to be presented by the superintendent of the camp, Miss Anna Belle Ferrier, and the committee chairmen, the annual meeting of the Arden Shore Encampment association will be open to guests.

It will be held in the tea room of Carson Pirie Scott and company, at 10 o'clock, Friday morning, November 20, with luncheon following.

Entre Nous Club to See "The Judge's Husband"

The next meeting of the Entre Nous Matinee club occurs Wednesday, November 18, in the Crystal room of the Great Northern hotel. After luncheon the members will attend a performance of "The Judge's Husband" at the Adelphi theatre.

The star, William Hodge, his leading lady, Miss Gladys Hanson, and Miss Marigold Langworthy of Winnetka, a member of his company, will be guests of honor at the luncheon.

Miss Helen Tilroe, daughter of Mr. and Mrs. Albert E. Tilroe, 978 Oak street, with a party of Chicago University students, attended the Chicago-Illinois football game at Champaign on November 7. In the evening she was a guest at a fraternity party and on Sunday afternoon at a sorority tea.

Violin numbers and a group of songs and medleys sung by a male quartet will compose the musical program to be given Friday evening, November 20, at the Winnetka Masonic temple when the Temple club will give an evening of music, bridge, and five hundred. The affair will commence at 8:30 o'clock.

There will be a Christmas sale of unusually attractive gifts in the parlors of the Winnetka Woman's club on Wednesday, November 18, from 2 until 5 o'clock. The proceeds will go to St. Mary's Home for Children.

The HEATING PROBLEM

There is no wall that gives the protection against cold like the solid brick wall.

The mass of burned clay units, built solidly into a wall, offers greatest protection against the cold coming in.

Solid, brick construction insures higher resale value, lower fuel cost and no paint or repair bills.

The brick walls of the home cost very little as compared to the cost of the finished house. The approximate cost of the brick in the average bungalow is only \$360.00.
