

Cardinal Gains in Popularity Daily; Is Mecca for Meals

"That was a fine dinner. We're coming often!" This and similar comments have been frequent at the Cardinal Tea House since its auspicious opening two weeks ago.

In fact, the dainty and picturesque surroundings, the pleasant atmosphere, and, above all, the tasty meals, attractively served, are giving the Cardinal a rapidly spreading reputation. Luncheon parties, dinners, and teas, are flocking thither in numbers that are erasing that anxious look from the faces of the women who are sponsoring the enterprise. They already see their efforts to raise money for the new church building fund of the Congregational church promising a liberal success.

The managers announce that reservations for dinner or luncheon are no longer necessary. However, if one is forehanded to a fault, one may call Winnetka 2536, and not forget to look for the Cardinal on his signpost at 841 Spruce street. Incidentally, a grand new signboard is being constructed in the manual training department of one of the schools.

Hostesses in charge for next week are as follows: Monday, Mrs. John C. Nevins; Tuesday, Mrs. John L. Hamilton; Wednesday, Mrs. Henry A. Gardner; Thursday, Mrs. Roy L. Arey; Friday, Mrs. James A. Richards; Saturday, Mrs. Vernon Welsh.

Among the special parties at the Cardinal this week was a lunch, given by Miss Katherine M. Foote, and a bridge, at which Mrs. John H. Cadmus was hostess.

October Witnesses Jump in Fires; Damage Small

October showed the usual upward trend in the number of fires, according to the monthly report issued by Fire Chief G. M. Houren this week. There were nine fires during the month, with a total damage of \$745. Of this amount, \$725 loss was sustained at one blaze, a fire in a private garage. Two motor cars which caught fire were saved with losses of \$10 each. The other fires were put out without loss. There were nine inspections during October. It was erroneously stated recently that the number of fire inspections in September was 19. The number should have read 33.

POSTPONE GRID GAMES

Bad weather caused two football games between teams from Skokie school and Boltwood school, Evanston, to be postponed from Thursday of this week until Thursday, November 19. The games will be played on the Skokie playground. A game with the North Shore Country Day school was also postponed until next week.

GIRLS PLAN BAZAAR

High School Girls' Club Promises Array of Gifts at Xmas Sale December 5; Dance to Feature Day

Many beautiful and useful articles will be on sale at the Christmas bazaar which the members of the Girls' club of New Trier High school will hold in the mess-hall of the school Saturday, December 5.

There will be dolls of all sizes and descriptions. Two people, who have collections of foreign dolls, have very kindly offered to loan them to the school, so that they may be copied by the girls who are dressing dolls. The doll booth will be very colorful with its Chinese, French, Spanish and Italian dolls.

Interesting Art Booth

In the Art booth, there will be all sorts of painted things: shoe trees, lamp-shades, perhaps a batch of scarfs, and Christmas cards. Caroline Burnham is planning a design for a Christmas card which the girls working for the Art booth will tint. All of one's Christmas cards may be hand painted this year. Besides the cards there will be a New Trier calendar. This calendar will have in it photographs of scenes around the school. This would be very interesting to one's friends who have heard about the school.

Sells Bakery Goods

Cakes, bread, cookies, all things to eat may be found in the Dutch Oven. This booth is expected to be very popular.

The French Boudoir seems to be very well started already. Many dainty and lovely things may be bought there, such as flowers for coats, handkerchiefs, collar-and-cuff sets, tea towels—everything that may be sewn.

Everyone is invited to attend the bazaar and select Christmas gifts or buy for himself. There will be dancing and refreshments and a one-act play will be presented both in the afternoon and the evening.

Northwestern Golf Club Ends Season With Dinner

Officials of the Northwestern Public golf links announce that the golf season for the club house closed November 1, and request members to clear out their lockers before the end of the month. A get-together dinner for members will be held at the North Shore hotel in Evanston Friday evening, November 20, at 6:30 o'clock, at which time plans for the 1926 season will be talked over. The county commissioners will be guests for the evening. Plans for 1926 include many improvements, such as the opening of a new nine hole course some time during the season. All present members are requested to make their applications for membership for the coming year immediately as the membership is limited to 300.
