

THERE IS DANGER! TO HEALTH AND PROPERTY IN YOUR COLD GARAGE.

Why endanger your health and property with a cold garage?
Why ruin your bearings, battery, car finish, tires, etc.?
Avoid costly repair jobs and loss of time by installing

THE SCIENTIFIC GARAGE HEATER

It is clean—no ashes, soot or grit to get all over your car.
Convenient—no manual labor to operate.

Dependable—the fire does not go out during the night—no
water to freeze.

Safe—given highest rating by Board of Fire Underwriters.

Install a Scientific Heater in Your Garage
and enjoy a quick-starting, smooth-running motor.
