BOOKS

"It was truly said books will speak plain when counsellors blanch. Therefore it is good to be conversant in them, specially the books of such as themselves have been actors upon the stage."

Francis Bacon.

A good book always makes an acceptable gift. In our Book Nook you will find intelligently arranged groups of fiction and non-fiction—children's books—and books on architecture, art, and travel.

EVERYTHING READY....

EXCEPT THE LAUNDRESS

"Imagine my predicament!" said Mrs. Brown. "Guests coming the next day—and a big washing on my hands. Got up at 6:30, hurried the family through breakfast and got everything ready for the laundress—and then at 9 o'clock she called and said she couldn't come. It certainly wrecked my plans—and I thought the whole day had been wasted when I happened to see the laundry representative stop at my neighbor's. Well—my bundle went with him, and has been going to the laundry ever since."

We might add that we are performing the same service for scores of Mrs. Browns—helping them out of the various predicaments that wash-day brings them. There is a service suited to every family budget. Telephone us to call for your bundle.
