

## WOMAN VIOLINIST TO APPEAR IN CONCERT

### Miss Clara Wade-Smith to Be Soloist With Symphony Players' Group Next Tuesday

Clara Wade-Smith, one of the most brilliant of the younger violinists in the country, will appear with the Symphony Players of Chicago Tuesday evening, November 24, when that well known organization presents its second concert of the New Trier Orchestral association season, at New Trier auditorium.

Miss Wade-Smith's achievements have brought her coast to coast recognition and promise of a brilliant career. She is said to possess a magnetic personality and unaffected charm of manners combined with a sensitive musical taste and an ease of expression which mark her as an artist of the first rank; one who pleases and inspires by the truth and simplicity of her demeanor and interpretation.

## Scandinavian Church to Hold Service of Thanks

Special Thanksgiving observances in the First Scandinavian Evangelical church have been announced for Thursday evening, November 26, at which time the Rev. H. O. Olney will be the speaker and there will be a special musical program.

Services for tomorrow and during the coming week in the parish have been announced as follows:

Sunday—Sunday school and adult Bible class at 10:30, H. O. Olney, teacher; Young people's meeting at 5 o'clock; Evening service at 7:45, Mr. Olney, speaker, Miss Esther Piper, soloist. Wednesday night, Scandinavian service, Rev. Frank Anderson of the Summerdale church, speaker. Thursday night, special Thanksgiving service with musical program.

## President Scott Speaks Before Winnetka Rotary

President Walter Dill Scott of Northwestern university was the speaker at the Winnetka Rotary club luncheon yesterday noon, having come to the meeting at the instance of Superintendent of Schools Carleton Washburne to give a talk appropriate to the current Educational week.

To make the Education Week program complete, the meeting was held at the Skokie school, a delicious luncheon having been provided by the seventh and eighth grade girls of the Domestic Science department.

Last week the Rotary club heard William C. Levere, of Evanston, noted Y. M. C. A. worker overseas during the war, who gave a talk appropriate to Armistice Day. A trio enlisted from the faculty of the Skokie school provided a special program of music.

## Davies Will Preach at Congregational Church This Sunday

Dr. J. W. F. Davies will have charge of the morning service at the Winnetka Congregational church tomorrow in the absence of the Rev. James A. Richards. The Young People's service of worship, which is usually conducted by Mr. Davies at 11 o'clock, will be omitted, but by special arrangement, the young people will be present at the regular service.

Dr. Davies' sermon topic will be, "Jesus' Experience of God;" not a Thanksgiving address, it is explained, but a basis for Thanksgiving experience. In the front of the church will be displayed the gifts brought in by the children for the Thanksgiving offering to Olivet Day Nursery. The music committee announces the engagement of Edward Davies as bass soloist for the quartet.

Mr. Richards has gone East to preach his annual sermon at Wellesley college this Sunday morning. He will also have an opportunity for a visit with his daughter, Elizabeth, who is attending Wellesley. He is to speak at Walnut Hill school in the afternoon and will take a train immediately afterward in order to be in Winnetka for the important church meeting Monday evening at 8:30 o'clock.

## SCHEDULE YOUR DATE

### Community House is Prepared to Help Out in Preventing Conflict of Various Village Activities

The importance of scheduling community events in advance in order to avoid possible serious conflict of dates and encroachment of one activity upon another in the matter of attendance, is indicated in the accompanying letter sent out to every community organization this week by Mrs. E. W. Wortley, assistant to the director of Community House. Mrs. Wortley's letter reads as follows: "Village organizations found it helpful last year to have Community House record dates of events which different groups were scheduling. In this way conflicts of dates of the events planned were avoided, thus saving disappointment and assuring groups a larger number than would have been possible had there been other things scheduled in the village for the same date.

"Community House has again been asked to serve as a clearing house for information along this matter and is willing to undertake it, but it can only be truly effective if each organization will send in at once its lists of events scheduled and will also keep the office informed of additional dates as they are planned and will consult records in Community House before planning large events.

"May we have dates scheduled by your organization at the earliest possible moment? This letter is being sent to all village organizations.

## Boxing Compulsory and It Puts Stop to Fights

Boxing is becoming extremely popular with the boys of the Skokie school. It is now a compulsory sport for every boy in the seventh and eighth grades, forming a part of the regular playground activities. Last year it was made an elective course and became so popular, as well as showing such good results, that it was made compulsory this year. The course is given in 12 weeks, under the direction of Harry Clarke, director of physical education. Among other good results from the boxing course, there have been no fights on the school grounds since it has been made compulsory for all boys, it was said.

## Popular

George Dasch, genial and highly talented director of the Symphony Players of Chicago, has won his north shore audiences not alone by his masterly supervision of that group of great musicians, but by the force of his remarkable personality, as well. Mr. Dasch is perhaps the most popular musical genius to appear in this vicinity. He comes again next Tuesday to direct his players in afternoon and evening concerts at the New Trier auditorium.

## Death Summons Wife of Dr. Douglass H. Cornell

Alice Davis Cornell, wife of the Rev. Douglas H. Cornell, pastor of the Glencoe Union church, died at her home Wednesday morning of this week, after an illness of only three days. She had been in poor health for some time, but had improved materially during the summer months so that her sudden death was a shock to her many friends.

Mrs. Cornell was born in Madison, Wis., in 1880, the daughter of Mr. and Mrs. Andrew Davis. The family moved to Winnetka more than 40 years ago, making their home in Lakeside—now Hubbard Woods—and constituting one of the units of the little group of neighbors who helped set the standards for our present day community life.

Miss Davis was married to Mr. Cornell in 1905. After a pastorate of a few years in Michigan City, Ind., Mr. Cornell was called to the Union church in Glencoe where they have since resided.

Mrs. Cornell was a loyal and untiring aid to her husband in the work of the church, and her influence in the village was far-reaching, particularly with the younger people. She is survived by three daughters, the eldest a sophomore at Northwestern university, and a sister, Mrs. Gerald Mahoney.

## May Set Parking Limit for Business Districts

Regulation of parking, in the Winnetka business district is a necessity, according to a report by Village Manager H. L. Woolhiser which was read at the meeting of the council last Tuesday evening. The report stated that the village manager and Chief W. M. Peterson of the police department had made a study of the situation in the business district and recommended that parking be limited to one hour on certain streets. The matter was held over for further consideration after some discussion.

## REALTY BOARD VOTES FOR NEW TAX MEASURE

### North Shore Dealers Plan Campaign of Education to Acquaint Residents With Issue

Members of the North Shore Real Estate board met at the Lake Shore tavern on Sheridan road, Wilmette, last Monday evening for their regular monthly dinner and business session, at which they were treated to a splendid talk by Major Max Murdock, legal expert and executive secretary of the Illinois Association of Real Estate boards, on the subject of the proposed tax amendment to the constitution of the State of Illinois, which will be submitted to the voters at the general election November 3, 1926.

The purpose of this measure is to permit the General Assembly to employ methods of taxation other than those now provided by the constitution, which forces real estate at present to pay 85 per cent of the taxes, while constituting only 37.4 per cent of the wealth of the state. Naturally, the board voted to take an active part in educating the property owners of the entire north shore on this subject so vital to all.

#### Name Nominating Body

Other business included the appointment of a nominating committee for officers' ticket for the coming year, to report back to the secretary in time to include the ticket in his notice of the December meeting, when voting will take place. Board activities were discussed for next year in detail, and plans are being formulated for a comprehensive array of good speakers on a multitude of subjects allied with the realty profession. The set of test questions on various matters connected with the profession gotten up by the National association, will be given to all members of the board, who haven't taken the test and who are present at the December meeting. This test is extremely educational and interesting.

A vote of thanks was ordered to be sent to the Winnetka Chamber of Commerce for its efforts in behalf of the board and the local real estate men in defeating the proposed license ordinance of Winnetka; also another letter of thanks to the license committee of the Village council for so patiently giving the representatives of the board, ably assisted by Max Murdock of the State association, the opportunity of presenting objections to the ordinance and their resulting action in the council in recommending that the ordinance be dropped.

## Announce Christ Church Service Musical Program
