

### Observe Silver Wedding at Scene of Marriage

Mr. and Mrs. Gustaf Nelson of 849 Elm street, were the guests of honor at a delightful surprise party Tuesday evening, November 17, when between seventy-five and one hundred of their relatives and members of their church gathered at their home bearing beautiful gifts in celebration of their twenty-fifth wedding anniversary, observed in the same house in which they were married.

Mr. and Mrs. H. E. Onley of the Moody Bible institute, pastor of the First Scandinavian Evangelical church, and his wife, came out from Chicago for the occasion, and gave talks. David Nelson of Wilmette, also gave a talk, and a musical program was then given. Their son, Morgan Nelson, who is attending Wheaton college, came home unexpectedly for the event.

### Lectures on Jeremiah Prove Highly Popular

The lectures on the Prophet Jeremiah, being given by the Rev. James A. Richards on Tuesday mornings at 10 o'clock in Community House, are reported to be stimulating a fresh interest in a book which is often thought of as gloomy and even depressing. The remaining lectures will be topical rather than chronological, it is said, so that even if one has not attended the opening lectures one may find interest and stimulus.
