

NEW TRIER BOYS TO ATTEND "Y" SESSION

Illinois Older Boys Conference to be Held at Champaign Next Week-End

Ten boys from New Trier High school will attend the Illinois Older Boys' conference, held under the auspices of the State Association of the Young Men's Christian Association of Illinois at Champaign-Urbana next week-end. The conference extends from Friday, November 27, until Sunday evening. The party will be in charge of Fred Schmidt and it is possible that Principal Frederick E. Clerk may also attend.

The purpose of the conference is to bring together for inspiration, instruction and information, "long-trousered" boys fifteen to twenty years of age, capable of Christian leadership. The conference stimulates sturdy Christian living in every day situations in a boy's life. An adult leader will accompany each group of seven boys.

Select Delegates With Care

Delegates to this conference are being selected with great care as they should be boys who can get the most out of it. Quotas have been assigned to all Y. M. C. A.'s in the state on the basis of membership and representation in past conferences.

The cities of Champaign-Urbana are easily accessible via the Illinois Central R. R., the Big Four (C. C. C. and St. L.) and the Illinois Traction System Lines. These railroads will grant the regular conference rates of 1½ fares for the round trip on the Identification Certificate Plan. Also hard roads lead into the two cities from several directions.

The general program includes many splendid speeches by well known speakers and authorities on boy problems.

OCCUPIES BROTHER'S PULPIT

The Rev. Robert Stansell, pastor of the Grand Avenue Methodist church and brother of Dr. Gilbert Stansell, of the Wilmette Parish Methodist church, will preach at the local Methodist church Sunday morning, November 29.

ADDRESSES ART LEAGUE

Walter Sargent, of the University of Chicago, will speak before members of the North Shore Art league at their next meeting to be held December 10. Rudolph Ingerle, president of the league, will send out notices of the meeting at a later date.

Frank G. Ely and his son, Robert Ely, 303 Kenilworth avenue, spent the week-end motoring in Wisconsin, on a pheasant and quail shooting expedition.

Tim Lowry Is Best Center He Ever Saw, Says Purple Mentor

"The best center I ever saw" was the way Coach Glenn Thistlethwaite summed up his opinion of Captain Tim Lowry as the big blond player trotted off the field at the close of the contest with Purdue last Saturday in which he played his last conference game for the Purple.

"In all my years as a player and coach I never had a player or saw one who was more dependable than

Lowry. His ability to diagnose what the opposition is going to do is uncanny. Time after time Lowry guessed the play and either charged through or dropped back for a pass as the occasion demanded.

"Too much credit can not be given to Lowry for what success we had this season. He was master of the situation at all times. I think it will be a long time before the game will ever see a center who stands out so prominently as he did during his three years of conference play."

An indication of his ability at anticipating the next move of his opponents cepted six passes during the season.

This is unusual for a lineman, who ordinarily is blocked out of the play or is busy charging the line. Lowry, however, has a knack of fore-telling when a pass is coming and drops back into position to catch the oval.

On the campus Lowry is the idol of his classmates as they view the most successful season the team has had since 1916. His fighting qualities have won the admiration of all, and all know him as "Fighting Tim."

The Dorcas society will meet Tuesday evening, November 24, at the home of Mrs. A. Paulsen, 902 Ash street. Miss B. Jensen will assist the hostess.
