

### Carrie Goodchild, Formerly Teacher Here, Passes Away

Word has just been received of the death of Mrs. Carrie S. Goodchild, former Winnetka school teacher, at Wakefield, Kansas. Mrs. Goodchild taught in the Winnetka public schools for 25 years and occupied a prominent place in the early community life here. Many tributes to her memory have been paid by those who knew her.

"Well educated, endowed with a fine intellect, she had many friends among those to whom the intellectual side appealed," says a friend, in a tribute to Mrs. Goodchild. "Linked with this was a keen sense of humor, which is one of the strongest means of making life worth living, and with the humor went a love for the world and for her fellow beings which made her near and dear to many hearts."

When Mrs. Goodchild first came to the village she taught in the high school grades of the public school. When a regular high school was started her work was confined to the eighth grade of the grammar school. Many residents of the village will recall having been in her class. She was a great favorite with the children.

Frank C. Brown and his daughter, Miss Margaretta Brown, have moved from Highland Park to their new home at 1035 Pine street. Mrs. Joseph Husband of Blackthorn road is Mr. Brown's daughter.

Among those witnessing the Pictorial pageant at Wanamaker's in New York City, was Mrs. Harry Holland of 679 Hill road. The exhibit, it was stated, depicted the growth of New York, and the future city, in murals of historical scenes and city planning.
