

Country Day Gets Large Enrollment; Growth Is Rapid

Enrollment at the North Shore Country Day school has now reached the mark of 341. This represents the largest enrollment in the history of the school. Knollsley hall, renovated during the summer, now houses the officers, and, in addition, is affording the kindergarten more extensive quarters than it has had before. This department can now take care of a few more pupils. All other departments are at the limit of their capacities. During the past two months various minor improvements on the grounds have been continuously going forward.

Tell What Constitutes a Good Automobile Driver

"Years ago the man who could drive fast was considered a good driver," says Charles M. Hayes, president of the Chicago Motor club. "Times have changed. Any fool can drive fast nowadays. The good driver is made through experience and education. He is always on the alert for danger. Here are some of the things that indicate a 'good driver.'

"He stops at railroad crossings and looks both ways before crossing. On a grade he always crosses in low speed. He stops before emerging from an alley, and blows his horn. He signals his intentions to those in the rear. He never pulls away from a curb without looking back to see if the road is clear. He gets over on to the inside lane of travel when turning left, and he pulls over near the curb when turning right. He never passes another car going in the same direction at a street intersection; he knows pedestrians are injured that way. He slows down when passing schools, churches, or buildings where public gatherings take place. He never passes another car on a hill or on a curve. He gives the right-of-way to cars approaching from the right. He slows down to ten miles an hour at street car crossings. He is courteous to other motorists and to pedestrians. He knows the laws and ordinances, and obeys them. Everyone likes to ride with the good driver."

Country Day School Lads Take Measure of Parkers

Friday, November 13, the North Shore Country Day school closed a generally successful football season by defeating the Francis W. Parker High school of Chicago, by a score of 19-0. The game was keenly contested but the Day school squad was playing at the top of its form and the victory was well earned. This year's win is the first that the north shore boys have secured from their older rival, although last year the two teams battled to a tie.

Theatre Guild Stages Two Shows at Evanston

Members of the North Shore Theatre guild will present "The Truth About Bladys," one of its former successes, at the Evanston Woman's club next Monday and Tuesday, November 23 and 24. The performances will begin at 8:15 o'clock in the evening and are under the auspices of the Professional Woman's club of Evanston. Included in the cast of the play are Erma Blaine McKendry, Mrs. Laird Bell, Virginia Fitzhugh, Melvin Wamboldt, Percy Eckhart, J. Williams Macy and Samuel Otis.

KNOW ILLINOIS!

Coal produced in Illinois during 1924 was worth \$155,260,000.

Illinois telephone companies have 35,000 employees.
