

### Boy Scout Notes

#### BY ONE OF THE SCOUTS

On Friday evening, November 13, all three Winnetka Boy Scout troops met in the Assembly room of Community House.

From there we went into our own Scout room, where a Tenderfoot initiation was held. Only the First Class Scouts and executives were present at this ceremony. Those who took their Tenderfoot initiation were: Stewart Marble, Paul Seligmann, Will Elliott, Fred Fairman, Philip Schwabaker, Allan Stults, Hugo Hartmann, Bill Maxwell, Dumont Mills, and Dave Wachs.

Meanwhile, the other Scouts worked on their next step or rank of Scouting.

After the initiation, all the Scouts went into the gymnasium. There we held the following contests: A relay race, during which each boy did different stunts—Troop 1 was first, and Troop 2, second; a fireman's lift relay in which Troop 1 was also the victor, and Troop 3 was second. We then had an O'Grady drill down in which Gould Davies from Troop 1 was victor.

The Scouts were then dismissed, but the First Class Scouts stayed to choose two knot teams and to practice knot-tying and signaling for the contest to be held Friday, November 19, at 7 o'clock at Community House. This contest is to be with a Wilmette troop.

### Announce Benefit Dance for Junior School Home

The North End Branch of Friends of Chicago Junior School, a school founded several years ago for boys from broken homes, not delinquents or court cases, non-sectarian in principle, and situated in a beautiful hundred-acre tract of land on the Fox river, one mile north of Elgin, will give a benefit dance in the Salle Royale of the Sovereign hotel, Friday evening, December 4. Music will be furnished by the Blackstone orchestra, and the committee promises some "worthwhile surprises." A number of Winnetkans are members of this organization.

The North Shore Catholic Woman's league will meet Tuesday, November 24, at the home of Mrs. David J. Hallinan, 1050 Spruce street, Winnetka, at 1 o'clock, for sewing for the social service department of the club. All members are cordially invited. Mrs. Frederick Hubsch will be the assisting hostess.

Mrs. Howard H. Hoyt, formerly of Winnetka, now of Sound Beach, Conn., has been visiting for the past week with various members of her family here in Winnetka.

Put a delightful, new flavor in your dressing with a half pound of Jones Dairy Farm Sausage meat. Takes the place of butter and gives a tang that's irresistible.

Jones Dairy Farm Sausage meat is exactly the same as Jones little sausages, but without the expensive casings—it costs less.

To remove sausage meat from parchment wrapper, dip entire package in cold water. Slice through paper and all.

We are planning a big Thanksgiving Dinner at our house and Mrs. Happy has phoned me to bring home a fine Turkey. I wish I could save myself the time and trouble it takes and at the same time satisfy her.

Well, Happy, that is easy. Just stop at PETERS MARKET when you go home. I ordered there this morning. They have a wonderful stock of selected Turkeys, Geese and Ducks, and Capons, and also a fresh stock of Sea Foods just received.
